You and Your Dependents

Throughout this booklet we use several key terms when we refer to you and your Dependents:

- the terms that may refer to you are: Employee, Member and Participant;
- the terms that may refer to your Dependents are: Dependent, Spouse, Child and Participant.

Employee: A person who:

- resides in Canada; and
- works for the employer.

Member: An Employee who is eligible and approved for coverage under this plan.

Dependent: Your Spouse or Child.

Spouse: The person who:

- is a resident of Canada; and
- meets one of the following criteria:
 - is married to the Member;
 - is in a civil union with the Member as defined by the Civil Code of Quebec; or
 - has been living with the Member in a conjugal relationship for at least 1 year; however, where required by provincial legislation, this 1 year period is waived if a child is born of such relationship.

The Spouse must be designated by the Member on their application for coverage. Only one person may be covered as a Spouse at any one time.

Child: A person who:

- is a resident of Canada;
- is the natural, adopted or step child of the Member or Spouse, or the child over whom the Member or Spouse has been appointed as guardian with parental authority;
- is financially reliant on the Member or Spouse for care, maintenance and support;
- is not married or in a common law relationship; and
- meets one of the following criteria:
 - a) is under age 21;
 - b) is under age 25 and is attending an accredited educational institution, college or university on a full-time basis; or
 - c) became mentally or physically disabled while a child as defined in (a) or (b) and has been continuously disabled since that time.

A child is considered to be mentally or physically disabled for the purposes of this definition if they are incapable of engaging in any substantially gainful activity and are financially reliant on the Member or Spouse for care, maintenance and support due to this disability. Blue Cross may require the provision of written proof of a child's disability as often as is reasonably necessary.

Participant: The Member or one of the Member's Dependents who has been approved for coverage under this plan.

Helpful Tip

You are responsible for enrolling your Dependents under the plan when they become eligible.

In addition, you are responsible for removing them when they no longer meet the definitions outlined here.

You can update your family or Dependent status by filling out and submitting a change form, available through our website.

Helpful Tip

A Member, Spouse and Child are all Participants under the plan.

Other Important Terms

Accident: A sudden, fortuitous and unforeseeable event that:

- is violent in nature;
- arises solely from external means;
- causes bodily injury to the Participant directly and independently of all other causes; and
- is unintended by the Participant.

The resulting injury to the Participant must be certified by a physician.

Actively at Work: Employees are Actively at Work on a specified day if they report for work at their usual place of employment and are able to perform the Regular Duties of their occupation, according to their regular work schedules.

Employees who are not required to report for work on a specified day due to holidays, shift variances, vacations or weekends are still considered to be Actively at Work if they could have reported for work and performed the Regular Duties of their occupation on that day.

Approved Provider: A provider of health care services or supplies who has been approved by Blue Cross to provide specific Eligible Expenses.

Deductible: The amount of Eligible Expenses that the Participant must pay before Blue Cross will reimburse any Eligible Expenses.

The Deductible amount applies once per calendar year or per prescription drug, as specified in the Summary of Benefits. However, Eligible Expenses incurred during the last 3 months of a calendar year that totally or partially met the Deductible for that year may be used to reduce the Deductible for the following calendar year.

Eligible Expenses: Charges incurred by the Participant for health care services and supplies that are:

- Medically Necessary;
- usual, customary and reasonable, meaning that:
 - the amount charged is consistent with the amount typically charged by Health Practitioners or Approved Providers for similar services or supplies in the province in which the services or supplies are being purchased; and
 - the frequency and quantity in which services or supplies are purchased by the Participant are, in the opinion of Blue Cross in consultation with its health care consultants, consistent with the frequency and quantity that would usually be prescribed or needed for the Participant's condition;
- recommended or prescribed by a Physician or Health Practitioner who:
 - does not normally reside in the Participant's home;
 - is not the Participant's Family Member; and

Helpful Tip

- rendered or dispensed by an Approved Provider who:
 - does not normally reside in the Participant's home; and
 - is not the Participant's Family Member; and
- rendered or dispensed after the effective date and while the plan is in effect, unless otherwise specified.

Health care services and supplies that Participants prescribe, render or dispense to themselves are not Eligible Expenses.

An Eligible Expense is considered to be incurred on the date the service or supply was received by the Participant. Reimbursement for Eligible Expenses incurred outside of Canada will be limited to the amount that would have been reimbursed if the expense had been incurred in the Participant's province of residence, unless the benefit is restricted to in Canada only.

Where more than one form or an alternative form of Treatment exists, Blue Cross has the right to base their payment for Eligible Expenses on the lowest cost alternative if Blue Cross, in consultation with its health care consultants, deems the alternative Treatment to be appropriate and consistent with good health management.

Health Practitioner: A health care practitioner who is a registered member of their regulatory body (if applicable) and practices within the limits of their authority as established by law. If no occupational guild applies to a particular practitioner, the practitioner must:

- be a registered member of their association;
- provide care and treatment within the limits of their professional scope of practice; and
- be an Approved Provider.

Illness: A deterioration of health or a bodily disorder that has been diagnosed by a Physician and requires regular and continuous care.

Insured Benefits: Benefits underwritten and administered by Medavie Inc. which assumes all liability for their payment. In this plan, there are no Insured Benefits.

Who is Eligible for Coverage?

You are eligible for coverage if you meet the definition of Employee and are Actively at Work.

Your Dependents are also eligible for coverage if they meet the definition of Spouse or Child outlined above in the *Key Terms*.

To be eligible for coverage, you and your Dependents must be entitled to government health care coverage or similar coverage deemed satisfactory by Blue Cross.

You must continue to work the minimum number of hours per week to maintain eligibility under the plan.

How do I Enrol for Coverage?

Application Form

To obtain coverage, you must complete and submit the application form provided to you by your employer.

Can I Opt Out of Coverage for Certain Benefits?

You are not allowed to individually select the benefits you want under the plan. In addition, when you enrol for coverage you must also enrol all of your eligible Dependents. You are allowed to waive the health benefits coverage for yourself or your Dependents if you or your Dependents already have similar coverage under another group policy. In this case, you or your Dependents will again be eligible for health benefits if there is a change in your family status or if you or your Dependents' other coverage terminates for reasons outside of your control.

When Does My Coverage Begin?

Employees

Your coverage takes effect on the latest of the following dates:

- the effective date of the plan; or
- the date you meet all of the eligibility requirements.

If you are not Actively at Work on the date you would have become eligible for coverage, your coverage begins on the date you resume being Actively at Work.

Dependents

Your Dependent's coverage takes effect on the latest of the following dates:

- the date you become eligible for coverage;
- the date they meet all of the eligibility requirements; or
- the date following their discharge from hospital if they were hospitalized on the date they would have become eligible for coverage, unless:
 - they were covered under a Previous Policy, in which case their coverage begins on the effective date of the plan; or
 - they were born while this coverage is in force, in which case their coverage will be effective from their live birth.

Helpful Tip

Health benefits may include: drug benefits, extended health care and dental benefits.

Helpful Tip

Previous Policy refers to a group plan that provided coverage for you and your Dependents, and terminated within 31 days of the effective date of this group plan.

What Happens to my Coverage During Periods of Absence from Work?

Illness/Accident

If you are absent from work due to illness or accident, your group benefits coverage is retained. In such circumstances, please contact your group benefits administrator to discuss the maximum period your coverage will be retained.

Maternity Leave/Parental Leave

During a maternity or parental leave of absence, you have the choice to either retain or discontinue all coverage for the maximum period provided under the applicable legislation.

Your decision to retain or discontinue coverage must be made before the beginning of your leave of absence and this decision cannot be changed at a later date. If you decide to retain coverage, you must continue to pay your premium contributions (if any) for the whole duration of the absence.

Temporary Layoff/Authorized Leave of Absence/Disciplinary Suspension/Strike or Lockout

In such circumstances, please contact your group benefits administrator to discuss the benefits you must retain during such an absence and the maximum period these benefits will be retained.

When Does My Coverage End?

Coverage ends on the earliest of the date:

- the plan terminates;
- you or your Dependents no longer meet one or more of the eligibility requirements;
- your employment is terminated;
- you reach the termination age or termination date, if any, specified in the Summary of Benefits;
- you retire from the employer, unless otherwise specified in the Summary of Benefits;
- you die;
- you or your Dependents commit a fraudulent act against Blue Cross or the plan sponsor; or
- the plan sponsor defaults in payment of premiums.

Coverage for your Dependents will also terminate on the date your coverage terminates.

No coverage will be provided to you or your Dependents while performing duties as an active member in the armed forces of any country, unless coverage must be retained under the applicable provincial legislation.

What Happens When Coverage Ends?

Right to Convert to Individual Coverage

Upon termination of coverage for certain benefits, you and your Dependents have the right to convert your group benefits coverage to an individual insurance policy, provided certain criteria are met.

The benefit details will specify if this conversion right applies to a particular benefit.

When conversion is available, the following terms and conditions apply:

- You must, within 31 days of the date of termination of your group coverage:
 - submit the application form provided by Blue Cross for the purpose of conversion to individual coverage; and
 - pay the entire amount of the first month's premium of the individual policy, in accordance with the method of payment stipulated by Blue Cross;
- the individual policy will be issued without requiring proof of health;
- the premium for the individual policy is based upon the individual policy rates in effect on the date of application;
- the individual policy is subject to any maximum and minimum values or other additional terms and conditions that are specified in the *Right to Convert to Individual Coverage* provision of the applicable benefit.

Helpful Tip

The benefit of converting your group coverage is that you do so without having to provide proof of health.

Conversion premium rates will typically be higher than group premium rates currently paid.

Instead of converting your group coverage, you may prefer to apply for an individual plan, which will require Proof of Health.

Survivor Coverage

In the event of your death, coverage for your Dependents will continue for certain benefits, if specified in the Summary of Benefits.

Survivor Coverage for your Dependents will terminate on the earliest of the following dates:

- the group plan termination date;
- the date the maximum Survivor Coverage period has been reached, as specified in the Summary of Benefits;
- the date your Dependents obtains similar coverage under another plan;
- the date the Spouse reaches age 65; or
- the date your Dependents are no longer considered to be eligible Dependents (for reasons other than your death).

What if I Have Coverage Elsewhere?

Blue Cross will co-ordinate your group benefits coverage with other health plans when similar coverage is available. The co-ordination of benefits process helps ensure you get the most out of your coverage, and also means you can receive up to, but no more than, 100% reimbursement for Eligible Expenses.

Government Health Care Coverage

Blue Cross will not pay for any health care services or supplies available under government health care coverage, or administered by government funded hospitals, agencies or providers. Blue Cross will only consider Eligible Expenses in excess of those provided under government health care coverage.

Helpful Tip

Blue Cross will help direct you to existing **government programs** whenever possible.

Other Health Plans

Do you take advantage of coverage under the other benefit plans available to you, such as your Spouse's? If not, you may be missing out on possible reimbursement of up to 100% of Eligible Expenses.

Blue Cross applies co-ordination of benefits according to the guidelines of the Canadian Life and Health Insurance Association Inc. (CLHIA). Here are general rules:

Expenses for Yourself:

- You must first submit expenses incurred to this plan (where you are covered as a Member). The balance that has not been paid by this plan (if any) can then be submitted to the other plan where you are covered as a dependent (for example your Spouse's plan).
- If you are covered as a member under more than one group benefit plan, the plan that has covered you the longest pays first.

Expenses for Your Spouse:

- Your Spouse must submit any expenses incurred for themselves to their own group benefit plan (if any) first. The balance that is not paid by their plan (if any) can then be submitted to this plan.

Expenses for Your Child:

- If a Child is covered as a dependent by both you and your Spouse, you should submit their claim to the plan of the parent whose birthday comes first in the year.
- In the event of divorce or separation, the plan of the parent with whom the Child resides (the plan of the parent with custody of the Child) pays first.

Helpful Tip

The types of other plans that are potentially subject to co-ordination of benefits include any form of group, individual, family, creditor or saving insurance coverage that provides reimbursement for medical treatment, services or supplies.

Helpful Tip

For more information on co-ordination of benefits (including examples), visit our website.

How You Can Help

As a group plan member, you can help us eliminate fraudulent abuse of your plan:

- keep your identification card, plan number, member identification number and related information confidential and secure;
- carefully review your receipts for products and services claimed to ensure:
 - you understand the charges billed; and
 - the charges reflect the services received.

If you are unclear about any of the charges on your receipt, ask your provider to explain the charges to you:

- carefully review your Explanation of Benefits claim statements (EOB) for any discrepancies in services received compared to services claimed;
- never sign a blank claim form;
- from time to time, we send member verification questionnaires to confirm treatments and other related information. If you receive one of these questionnaires, please complete it and return it promptly. These questionnaires make an essential contribution to our fraud deterrence efforts.

Disputing a Claim Decision

In the event Blue Cross determines that benefits are not payable, you have the right to appeal the decision by providing written notice to Blue Cross within 30 days from the date of the written denial.

The time limitation to bring an action against Blue Cross under the group plan begins on the date of the initial written denial from Blue Cross and runs until the expiry of the minimum limitation period as prescribed by the applicable provincial legislation.

Every action or proceeding against Blue Cross for the recovery of insurance money payable under the plan is absolutely barred unless commenced within the time set out in the Insurance Act or other applicable legislation.

Copy of the Group Plan

Where legislated, you have the right to request a copy of the contract for Insured Benefits (if applicable), your application for benefits and any written statements or other record provided to Blue Cross as proof of your health.

The Rights of Blue Cross Under the Plan

Right to Audit

Blue Cross has the right, at any time, to inspect or audit the health and claim records of a Participant in relation to a claim for benefits.

Recovery of Overpaid Amounts

Blue Cross has the right to recover from a Participant:

- any amount paid in error;
- any amount paid as a result of claims made by the Participant on the basis of fraudulent pretenses or misrepresentations; or
- any amount paid that has resulted in overpayment to the Participant.

If overpayment amounts or amounts paid in error cannot be recovered, Blue Cross has the right to reduce future benefit payments to the Participant until the amount is fully recovered.

Termination or Suspension of Benefit Payments

The rights and benefits of a Participant may be suspended or terminated without prior notice in the following circumstances:

- the discovery of a claims discrepancy or the initiation of a claim abuse investigation; or
- the filing of criminal charges or initiation of disciplinary action against the Participant by Blue Cross or the plan sponsor.

Payment of a claim may also be suspended or denied if it relates to services or supplies prescribed, provided or dispensed by a provider who is under investigation by a regulatory body or by Blue Cross or has been charged with an offence in regards to their conduct or practice.

Helpful Tip

The right to inspect or audit applies to records held by Blue Cross or Approved Providers.
