

# Submit your claims *online*

**eClaims** is the newest way for you to submit your claims. If you can take a digital photo, you can submit your claims through the secure member site.

## The new eClaims system is easy to use

eClaims is simple to use – just complete a few questions, attach a photo or scan of your receipt and submit. Visit [medavie.bluecross.ca](http://medavie.bluecross.ca) – select ‘plan members’ in the upper right-hand corner and log in to the secure member site. Click on the ‘eClaims’ tab and follow the instructions.

## Sign up for direct deposit

To get started using eClaims, you’ll need to sign up for direct deposit – to have your reimbursements deposited directly into your bank account. You can register for direct deposit at any time through the member site.

## Options for submitting claims

eClaims joins our other options to submit your claims: having your provider submit electronically for you with no out-of-pocket expenses beyond your co-pay, through the mail or by visiting one of our Quick Pay locations.
