

Your Orthotics Benefit

Quick reference guidelines to help you submit an eligible claim

**CHECK
FIRST!**

Before you purchase custom made orthotics, ensure your provider is a Medavie Blue Cross approved provider.

This is a **quick reference** guide to help you submit an eligible claim for custom made orthotics. If you are unsure if your custom made orthotics will be eligible, it is best to check first. You can find a more comprehensive list of types of approved providers and examples of eligible custom made orthotics on our website at www.medavie.bluecross.ca/benefitupdates. You will find a list of eligible vs. ineligible claims criteria as well as FAQs that will help you to fully understand your benefit.

Step 1

DIAGNOSIS AND PRESCRIPTION

DIAGNOSIS

Approved medical conditions:

- ✓ Pes Planus
- ✓ Plantar Fasciitis
- ✓ Mechanical foot defects
- ✓ Other foot abnormalities requiring custom made orthotics

PRESCRIPTION

You will require a prescription for a custom made orthotic from a physician, podiatrist or chiropodist*.

**Chiropodist prescription not applicable in Quebec*

Step 2

PROVIDERS

Eligible custom made orthotic providers:

- Podiatrists and Chiropodists
- Pedorthists
- Orthotists C.O. (c) and Prosthetists/Orthotists with C.P.O. (c)
- **Quebec:**
