A Visiting Professor is not included in the full-time complement of the Academic Unit or the University.

10.21 Externally Funded Chairs

(b) If the appointee is to be eligible for tenure consideration at Acadia University while holding the Chair, such opportunity must be so stated in the letter of offer and the Academic Unit assigned the Chair must designate one of its numbered complement positions for the Chair holder. The designated complement position must be open on the effective date of the granting of tenure or the first date at which Acadia University begins to contribute to the Chair holder’s salary, whichever comes first. This clause excludes CRC Chairs.

(c) If at some future date the Chair holder is to have access to tenure consideration at Acadia University, the conditions of Article 10.21(b) apply.

(d) If the Chair holder is to have access to promotion considerations under the Collective Agreement, with or without access to tenure considerations, such conditions must be so stated in the letter of offer.

(a) If an Academic Unit has authorization to appoint an internal or external candidate to a Canada Research Chair the procedures described in 10.53 shall apply. Notwithstanding the provisions of 10.53, additional members may be added to the Selection Committee in order to comply with the Canada Research Chairs Program’s accountability and transparency requirements and recruitment guidelines.

(b) If the Canada Research Chair is allocated to a Faculty or to a group of Academic Units, any eligible members of the Faculty or the group of Academic Units may nominate any other eligible member to serve on the selection committee; members of the committee shall be chosen by election. In this instance, the selection committee shall normally be chaired by a Dean. Otherwise the procedures described in 10.53 shall apply. Notwithstanding the provisions of 10.53, additional members may be added to the Selection Committee in order to comply with the Canada Research Chairs Program’s accountability and transparency requirements and recruitment guidelines.

(c) Any internal appointees to a Canada Research Chair shall retain all rights and seniority towards tenure, promotion or sabbatical leave provided under this Agreement. Professors appointed to a Canada Research Chair shall retain their salary levels and grid placements on completion of their terms in these chairs.

(d) Any external appointee to a Canada Research Chair may be appointed with tenure. The Selection Committee shall recommend an appropriate home Academic Unit, in consultation with the candidate.

10.31 In cases where a Professor resigns from a tenured or tenure-track position after the 1st day of December, or in cases where insufficient time is available to follow normal appointment procedures, a CLT appointment may be made. Every effort shall be made to avoid delays in the hiring procedures.

10.32 Where a Professor is granted half-time status, and where a replacement for the reduction to the Academic Unit is authorized by the President on the recommendation of the Academic Unit, the Dean and the Vice-President
(Academic), the level of replacement may be part-time or CLT, and for all of the period during which the half-time arrangement is in place.

10.45 Temporary Appointments

In certain circumstances not otherwise provided for by this Agreement such as sickness, death, or late resignation, the Board may act through its academic administrative appointees to fill vacancies in Academic Unit complement. Appointments so made shall be for a limited period not exceeding twelve months and the appointment procedures laid down in this Agreement shall be followed to the extent that is possible under the circumstances. All efforts shall be made to avoid delays in the process of hiring.

When a Professor is, for medical reasons, suddenly unable to fulfill her/his teaching obligations, the following guidelines shall be used in making arrangements to cover the courses affected by the Professor’s absence:

(a) If the anticipated absence is for a period of less than two (2) weeks, it is assumed that other members of the Academic Unit will, whenever possible, assist in the supervision and instruction of the classes concerned.

(b) If the anticipated absence is for a period of more than two (2) weeks, steps shall be taken to secure part-time assistance. Where such part-time assistance is not available, other members of the Academic Unit may assume responsibility for the courses and shall be remunerated for their services on a pro rata basis in accordance with the basic part-time credit course stipend.

10.48 Lecteur/lectrice and PAD appointments

(a) Lecteurs/lectrices are appointed under the terms of the relevant exchange agreements. The nominations received from the partner institutions shall be forwarded by the Head to the Dean with a copy to the President of the Association.

10.50 Procedures for Appointment

Faculty members who have tenure or tenure-track appointments, Instructors with probationary or continuing appointments, and faculty members who have completed two (2) consecutive years’ service in a CLT position may participate in any appointment procedure. Employees on leave pursuant to Article 24 who have rights to vote as specified in this Article may exercise these rights during the leave. They shall be notified of such rights by the Head sending an e-mail to the Employees’ e-mail address and must respond and exercise such rights no later than three (3) working days after the e-mail is sent.

Where conflict of interest exists, the faculty member having such conflict shall withdraw completely from the appointment procedure.

10.51 Authority to Recruit

(a) Recruitment of Employees requires the authorization of the President or Vice-President (Academic). Failed searches for authorized positions do not require reauthorization.

(b) Authorizations to recruit CLT Employees for the following academic year shall normally be given to Academic Unit Heads and Directors no later than 15 January.

10.52 Advertising

(a) Positions shall be advertised on the advice of the Selection Committee and the Dean(s) through the office
of the Vice-President (Academic) in appropriate electronic media, academic and professional journals, including Canadian publications relevant to the particular discipline as established by the Selection Committee once the authority to fill the position has been granted. The Selection Committee is encouraged to consult with the Employment Equity Committee to identify venues for advertising intended to reach prospective candidates from designated groups.

The advertisement shall designate rank, but not "step" (e.g., entry level Assistant Professor).

(b) All Advertisements shall include the following statement:

"The University invites applications from all qualified individuals. Acadia University is committed to employment equity and diversity in the workplace and welcomes applications from Aboriginal people, African Nova Scotians, persons with disabilities, visible minorities, women, and persons of any minority sexual orientation or gender identity." All applicants shall be invited to submit a voluntary online self-identification form (Article 3.61(c)(i)). These forms shall be processed by Human Resources. Information provided on these forms may only be used for employment equity purposes. Only candidates who have submitted a self-identification form can be considered as members of designated groups as described in Article 3.20.

(c) Applications shall be directed to the Chair of the appropriate Selection Committee.

(d) All tenure-track positions shall be advertised.

(e) All CLT positions to be filled by a full-time Employee shall be advertised, except:

No advertisement is necessary where an Academic Unit wishes to retain for further contractually limited appointment the services of a Professor whose contractual limited appointment is about to expire, if two thirds of the eligible members of the Academic Unit as defined in Article 12.10(e) are in favour of retaining the Professor, provided that an authorized vacancy still exists. The Head shall make available to the Academic Unit the Professor's current CV, and shall invite the Professor to add any other information the Professor deems relevant. The vote shall be by secret ballot, either in person or through electronic means.

10.53 Procedures within the Academic Unit

(a) Each Academic Unit shall have a Selection Committee elected by the Academic Unit from within the Academic Unit, or where this is not possible, from cognate Academic Units as determined by the members of the Academic Unit in which the vacant position exists. For the purposes of this Article, when a member of a cognate Academic Unit is required for the Selection Committee, the decision of the Selection Committee goes directly to the Dean without being considered by the Academic Unit under 10.53 (d). The Head of the Academic Unit shall normally be the Chair of the Selection Committee which shall consist of at least three (3) persons in making appointments described in 10.03(a)-(d). No Selection Committee is required for appointments described in 10.03(e)-(f).

In the case of interdisciplinary appointments, the Selection Committee shall consist of at least five (5) members: the Head of the home Academic Unit, who shall normally be Chair; two eligible members elected by the home Academic Unit from within the home Academic Unit, or where this is not possible, from cognate Academic Unit(s) as determined by the members of the home Academic Unit; and two eligible members elected by the other Academic Unit(s) from within the Academic Unit(s), or where this is not possible, from cognate Academic Units as determined by the members of the Academic Unit(s). In the case where an Interdisciplinary Program is one of the Academic Units, the Program Coordinator shall be one of the two members from that Academic Unit on the Selection Committee, with the other elected by the members of that Academic Unit as defined in Article 1.20.3.

Instructors shall have input into hiring procedures. The Academic Unit may choose to add an Instructor to the Selection Committee.

Faculty Members who have a CLT position shall have input into hiring procedures where possible.
Students shall have input into hiring procedures where possible.

A quorum shall be fifty per cent (50%) plus one (1) of the eligible faculty members on the Selection Committee.

The Chair of the Selection Committee shall verify that faculty members elected to serve on the Selection Committee have completed the Employment Equity Workshop described in Article 3.66(a). Faculty members whose equity training has expired shall not be eligible to serve on Selection Committees.

(b) The Selection Committee shall approve by majority vote the draft advertisement for the authorized position. With reference to the factors in Article 10.61 and 10.62, the Selection Committee shall establish a short list of candidates. Candidates who are demonstrably better qualified for the position as described in the advertisement and according to Articles 10.61 and 10.62 shall be shortlisted. In keeping with the principles of employment equity, when two or more candidates are similarly qualified for the position as described in the advertisement and according to Articles 10.61 and 10.62, the Chair shall send Human Resources a list of these candidates, and Human Resources shall assign a numerical rank to the candidates following the procedure in Article 3.56(e). Human Resources shall not disclose any information that identifies to which designated group a candidate belongs. The Selection Committee shall use the ranked list to fill any remaining spaces on the shortlist. If Human Resources cannot establish a ranking, then the Selection Committee shall shortlist the candidate(s) best qualified for the position as described in the advertisement and according to Articles 10.61 and 10.62.

The short list shall be made available to members of the Academic Unit(s). Members of the Academic Unit(s) who wish to comment on the short list drawn up by the Committee shall have two (2) working days from the time of the distribution of the list to make their views known to the Committee. The Committee shall then finalize the short list which shall be redistributed to the members of the Academic Unit(s) and copies thereof provided to the Dean(s), Vice-President (Academic) and President.

(c) The Chair shall arrange for interviews of a minimum of two (2) and no more than three (3) candidates in the first instance, unless only one (1) qualified candidate has been found; further candidates may be interviewed on the approval of the Vice-President (Academic). All candidates selected for an interview shall be asked whether they require accommodation to ensure equal access to the interview process. No reasonable request for accommodation shall be denied. Interviews shall be conducted by the Selection Committee. Each candidate shall meet the Dean(s) or her/his delegate, either the President or the Vice-President (Academic), and a representative of the Association designated by the Association Executive. Whenever possible, all members of the Academic Unit(s) shall have an opportunity to meet with the candidates, each of whom shall, whenever possible, deliver a lecture or participate in a seminar involving students.

In the case of appointments of one (1) year or less, on-site interviews, or travel by Professors for the purpose of interviewing, shall be authorized only with the approval of the Vice-President (Academic) upon recommendation of the Selection Committee.

In cases where on-site interviews for a CLT appointment of less than 12 months have not been authorized by the Vice-President (Academic), or in cases where a local candidate is available for an on-site interview and a non-local candidate is not, all interviews shall be conducted in the same manner (video or voice only).

The short-listed candidates shall receive a copy of the Collective Agreement from the President or Vice-President Academic during their visit.

(d) Following the interview process, the Selection Committee shall rank the acceptable candidate(s) based on the advertisement and according to Articles 10.61 and 10.62. When two (2) or more candidates are similarly qualified, they shall be given the same rank. The Selection Committee shall recommend the ranked list to the Academic Unit(s), with a rationale based on the advertisement and according to Articles 10.61 and 10.62.

The Academic Unit(s) shall conduct a majority vote by secret ballot on the recommendation of the Selection Committee. The Academic Unit(s) shall only reject the recommendation if members of
the Academic Unit(s) determine that the recommendation is fundamentally flawed based on a failure to follow the processes in Articles 10.50, 10.52, and 10.53, or to consider the terms of the advertisement, or to apply Article 10.61 and 10.62.

If the recommended ranking of the Selection Committee is rejected, the eligible members of the Academic Unit(s) as defined in Articles 10.50 and 10.53(a) shall constitute themselves as the Selection Committee and re-rank the acceptable candidates with rationale based on the advertisement and according to Articles 10.61 and 10.62. The quorum requirements for this Selection Committee shall be fifty per cent (50%) plus one (1) of the faculty members on the committee.

Following majority approval of the ranking by the Academic Unit(s), if only one (1) candidate has been ranked first, the procedures of Article 10.53(d)(iv) shall apply. If more than one (1) candidate has been ranked first, the procedures of Article 10.53(d)(ii) shall apply.

(ii) In keeping with the principle of employment equity in Article 3.20, whenever two (2) or more candidates have been assigned the same ranking by the Selection Committee in accordance with Article 10.53(d)(i), the Chair shall send Human Resources the list of these candidates, and Human Resources shall assign them a numerical rank following the procedure in Article 3.56(e). Human Resources shall not disclose any information that identifies to which designated group a candidate belongs.

If Human Resources cannot establish a ranking, then the Academic Unit(s) shall determine which candidate is best qualified for the position as described in the advertisement and according to Articles 10.61 and 10.62.

(iii) The Selection Committee shall ensure that it has advertised in Canadian publications. Wherever possible, the Committee shall ensure that the offer is made to a suitable candidate who is a Canadian citizen or landed immigrant. If a suitable candidate cannot be found in the above category, the search may be widened and an offer made to a non-Canadian.

(iv) The Selection Committee shall discuss with the recommended candidate any special conditions of appointment such as, but not limited to, start-up funds, seniority towards tenure, and credit towards sabbatical leave. Candidates shall be informed that they may submit a budget justifying any request for start-up funds beyond the minimum amount stipulated in Article 25.40. Following this discussion, the Selection Committee shall make a recommendation to the Dean that this candidate be appointed, with a rationale of the candidate’s suitability in relation to other candidates, including any information related to the application of Articles 10.53(b) and 10.53(d)(i), (ii), and (iii). The recommendation shall include any special conditions of appointment such as, but not limited to, start-up funds, seniority towards tenure, and credit towards sabbatical leave. The Committee shall recommend an appropriate rank and suggest a salary in accordance with Article 10.63. The remaining candidates on the short list who are deemed acceptable by the Academic Unit shall be listed in order of priority. All votes on appointment recommendations within Academic Units shall be by secret ballot of those eligible to vote.

The recommendation of the Selection Committee shall be sent in a letter to the Dean in confidence with a copy to the President of the Association. This letter shall include: where and when the position was advertised, a copy of the candidate search advertisement, a list of the selection committee members, dates of selection committee meetings, candidate interview date(s), and the Recommendation to Hire form (Appendix J). For appointments that are designated as replacements positions, the letter shall indicate who is being replaced. The Association shall scrutinize all recommendations of appointments to ensure that they have been made in conformity with the terms of the Collective Agreement.

The Dean(s) shall comment in a letter on the recommendations of the Selection Committee before sending them on to the Vice-President (Academic), who in turn shall comment on the recommendations in a letter and shall forward these and any comments to the President of Acadia University.
The President or Vice-President (Academic) or the Dean(s) may request the Academic Unit(s) to reconsider the proposed appointment, giving reasons for the request based on the criteria in Article 10.61 and 10.62 or the procedures of Article 10.53. Following this reconsideration, in instances where it is requested, the recommendation(s) of the Committee shall be forwarded to the officer requesting the reconsideration for action. This correspondence shall be copied to the President of the Association.

A Presidential letter of recommendation to the Board to reject the recommendation from an Academic Unit shall be only on the basis of academic criteria set out in Article 10.61. This letter shall be copied to the President of the Association.

Notification of Acceptance

The Employer shall forward a copy of the letter of acceptance of a job offer to the Association within five (5) working days of receipt.

Criteria for Appointment

The factors to be considered in assessing applicants for appointment to the University shall be as follows:

(a) verifiable academic qualifications, i.e., earned degrees, diplomas, and the like, or an acceptable combination of education and experience, as in Article 12.00;

(c) performance and potential as a teacher and lecturer. Both qualitative and quantitative aspects shall be considered. These shall include, but are not limited to, such factors as the number of years in the present rank, supervision of Honours students and graduate students, evaluation of past teaching performance and ability and potential to participate in and contribute to the academic programs of the Academic Unit;

(e) scholarly activity, including, but not limited to, research and publications;

(d) previous contribution to an Academic Unit, faculty, or university, including course and program development;

(e) contributions to the professor’s discipline or profession, including but not limited to, service or activities in professional organizations, service programs, and the like.

The above factors shall be considered in the priority order stated except in the case of appointments where the advertised terms of appointment differ from the activities of most faculty. In such exceptional cases, the Selection Committee shall state the criteria to be used for evaluation, and their relative emphasis prior to reading the letters of application for each vacancy.

Initial Grid Step Placement

(a) Initial placement on the grid will be determined based on the following formula:

Individuals who have not completed a terminal degree in their field will be placed on the Lecturer scale. Individuals with a Master’s degree or equivalent education and work experience only shall be placed at Step 1.

Additional increments based on each full year (or equivalent) of experience will be credited according to the following formula:

\[
\text{number of years of full-time University level teaching, or equivalent (no more than one year of credit can be accumulated in a single year)} + \text{number of years of experience relevant to the position, post first degree /2*}
\]

*relevant experience shall include full-time parenting
Assistant Professor

Individuals with terminal degree only shall be placed at Step 1.

Additional increments based on each full year (or equivalent) of experience will be credited according to the following formula:

\[
\text{number of years of full-time University level teaching, or equivalent (no more than one year of credit can be accumulated in a single year)} + \frac{\text{number of years post-doctoral fellowship}}{2} + \frac{\text{number of years of experience relevant to the position, post first degree}}{2^*} \\
^*_{\text{relevant experience shall include full-time parenting}}
\]

Associate/Full Professor

Individuals who are not already at the Associate/Full rank (or equivalent) shall be placed at Step 1.

Additional increments will be credited based on the number of years at Associate/Full (or equivalent).

(b) In exceptional circumstances, should the Academic Unit deem it necessary to place the appointee at a grid step higher than the one derived using the formula, a written rationale shall be provided to the Vice-President (Academic) for such deviations, copied to the President of the Association. (b) The DRC shall meet at least twice. At its first meeting, the DRC shall confirm that it has been properly constituted and shall select a secretary who shall record minutes of each meeting, keep a file of all documents consulted, and ensure completion of the DRC procedure form.

(c) When the candidate is applying for promotion to the rank of Full Professor, the DRC must seek the written advice of two (2) external referees as described in Article 12.23. At that meeting the DRC and the candidate shall consult on the choice of external referees following the procedures of 12.23.

(d) Prior to inviting comments on the dossier the DRC shall hold a meeting to verify that the dossier satisfies the requirements of Article 12.03. The candidate shall be invited to discuss the contents of the dossier. It is the candidate’s choice to be present for this purpose; the presence or absence of the candidate shall not be used as evidence against the candidate’s application. If present, the candidate shall withdraw at the completion of these discussions and the committee shall consider its recommendation in camera. During this meeting, the candidate may choose to be accompanied to the meeting by an Employee who may advocate for the candidate.

(g) If members of the committee have concerns over any aspect of the dossier, the candidate shall be given an opportunity to respond to those concerns. In the event that the candidate fails to respond, the committee may freely debate the issue(s) of concern.

(h) The DRC must base its decision on the contents of the candidate’s dossier and the terms and conditions of the Collective Agreement.

12.23 The external referees shall be recognized in the specific field of the candidate and shall have no conflict of interest with the candidate. By 15 September, the Chair of the DRC in consultation with the members of the DRC and the candidate shall endeavor to agree upon the choice of the external referees. In either event the candidate shall provide a written statement of the degree of his or her professional relationship with the chosen referees. The candidate shall provide two (2) additional copies of the dossier to be sent to the external referees.

the way in which their decisions were made in light of the differences. Where the DRC or the URC makes a decision on distinction that differs from the two external referees’ assessments, it shall give reasons for so doing in its report or letter.

12.24 In arriving at its recommendation, the DRC may consider no material in addition to that contained in the dossier or made available during the procedure outlined in Article 12.22.

12.25 The DRC shall decide by simple majority its recommendation. The recommendation shall be based on the criteria and qualifications in Articles 12.80 and 12.90 for Professors, or 43.70 and 43.80 for Instructors. In cases of tenure the DRC may recommend, with the written consent of the candidate, deferral on the basis of clearly stated conditions based on the criteria in the relevant articles of this Collective Agreement.

12.26 At least five (5) working days prior to forwarding its recommendation to the URC, the DRC shall write a letter to the candidate, recording the recommendation of the committee and summarizing the views expressed by members of the DRC both for and against the recommendation. The candidate may reply to this letter to correct errors of fact within three (3) working days.

The DRC shall then revise the letter if necessary and forward it to the Chair of the URC, with a copy to the candidate. The candidate may also write to the URC at this time.

12.27 The Secretary of the DRC shall forward minutes of its meetings and the candidate’s dossier, including the electronic copies of the dossier’s contents as defined in Article 12.03 (b), and the signed DRC procedure form to the Chair of the URC.

12.30 University Review Committee

12.31 There shall be a University Review Committee that shall review all recommendations from the DRC/LRC for renewal, promotion and tenure and make recommendations to the President. The purpose of the URC is to ensure that the DRC/LRC has followed proper procedure, has used the appropriate criteria and qualifications, as identified in the table below, and that the criteria are applied consistently across the Academic Units.

12.32 The URC shall be composed of:

(a) The Vice-President (Academic), who shall be the chair.

(b) Six tenured Professors, two from each Faculty but not from the same Academic Unit, to be elected by that Faculty for a term of three years. Elections shall take place on or before 30 September. (In the first instance, the two members from each Faculty shall serve staggered terms of two and three years.) Elected members must have attended at least one of the workshops described in 12.01(b) within the last three (3) academic years. When the URC is considering a promotion application for an Instructor, an Instructor elected by the Instructors shall be added to the URC. When the URC is considering a promotion application from a Librarian, a Librarian elected by the Librarians shall be added to the URC. When the URC is considering a promotion application from an Archivist, an Archivist (or if no Archivist is available, a Librarian) elected by the Archivists and Librarians shall be added to the URC. Candidates for renewal, tenure or promotion are not eligible to serve on the URC in the year of their application.

(c) A quorum shall be five members including the chair; in considering applications for Instructors, quorum must include the elected Instructor; in considering applications for Librarians, quorum must include the elected Librarian; and in considering applications for Archivists, quorum must include the elected Archivist or Librarian.
(d) The URC shall select its own secretary. A non-voting recording secretary may be added as secretary of the committee. The URC secretary shall keep minutes of each meeting, including attendance and decisions, and a file of all documents consulted.

12.33 Should an elected member of the URC have a conflict of interest with respect to a particular candidate, or be a member of the Academic Unit concerned, or have served on the candidate’s DRC in the same academic year, or be absent for an extended time, that person shall be replaced in this instance by a Professor elected from the same Faculty.

Should the Vice-President (Academic) have a conflict of interest with respect to a particular candidate, that person shall be replaced as Chair in this instance by an elected member of the URC, chosen by the elected members of the URC. The individual chosen to be the replacement Chair shall be replaced by a Professor elected from the same Faculty as the replacement Chair.

If an elected member of the URC is applying for promotion, he or she shall withdraw from participation in all proceedings of the URC for that year. Once no longer a candidate for promotion, the elected member may complete his/her term of office on the URC, which shall be extended for an additional year.

12.42 (a) The URC shall study the candidate’s dossier and the recommendation of the DRC. It shall not consider anonymous material.

(b) The URC shall follow these procedures:

(i) The URC shall first consider whether the DRC/LRC has properly followed procedures in 12.20 or 51.20 and whether the recommendation letter of the DRC/LRC and the candidate’s dossier provide sufficient information to decide whether the DRC/LRC’s recommendation adheres to the criteria and qualifications in 12.80 and 12.90, 43.70 and 43.80, or 51.80 and 51.90, as appropriate. If the URC decides it has sufficient information, the procedure moves to that indicated in Article 12.42 (b) (iv). If the URC decides it does not have sufficient information, the procedure moves to that indicated in Article 12.42 (c).

(ii) If the URC finds that the DRC/LRC has not followed proper procedure or that the recommendation letter of the DRC/LRC does not provide sufficient information, it shall request clarification either in a revised letter or through a meeting with the chair, secretary and/or other members of the DRC/LRC as appropriate. If a revised letter is requested, the DRC/LRC shall have five working days to provide it. If the DRC’s clarification provides sufficient information for the URC to proceed, the procedure moves to that indicated in Article 12.42 (b) (iv). Otherwise, the procedure moves to that indicated in Article 12.42 (c).

(iii) If the URC finds that the candidate’s dossier does not provide sufficient information, it shall request the candidate to submit additional information either in writing or through a meeting.
Candidates shall have five (5) working days to submit additional written information, whereupon the procedure moves to that indicated in Article 12.42 (b) (iv). Otherwise the procedure moves to that indicated in Article 12.42 (c).

(iv) Where the URC has sufficient information, it shall then decide by simple majority whether the recommendation of the DRC/LRC adheres to the criteria and qualifications in 12.80 and 12.90, 43.70 and 43.80, or 51.80 and 51.90 as appropriate. If it decides in the affirmative, the procedure moves to that indicated in Article 12.43 (b), unless the DRC/LRC has rejected the application, whereupon the procedure moves to that indicated in Article 12.42 (c).

(v) Should the URC find that the decision of the DRC/LRC did not adhere to the criteria in 12.80 and 12.90, 43.70 and 43.80, or 51.80 and 51.90 as appropriate, the procedure moves to that indicated in Article 12.42 (c).

(c) (i) Where procedure requires, the URC shall meet with the candidate and the Chair of the DRC/LRC. The purpose of the meeting shall be to provide an opportunity for the candidate to present the case for renewal, tenure and/or promotion and for the URC to initiate discussion of the candidate’s dossier.

(ii) Whenever invited to appear before the URC, the candidate may choose to be accompanied to the meeting by an Employee who may advocate for the candidate.

(iii) During the meeting, the candidate shall have an opportunity to update the dossier. The update shall be limited to changes in the status of material initially included in the dossier.

(iv) The URC and/or the candidate may invite other persons to the meeting for the purpose of clarifying information in the dossier. Minutes of the meeting shall be made available to the candidate within five (5) working days of the meeting.

(v) At the conclusion of the meeting the URC shall consider its decision in camera. In the event further clarification is necessary, the URC may recall any person they met with while reviewing the application.

(vi) In arriving at its recommendation, the URC may not consider material other than that contained in the dossier or made available during the procedure outlined in 12.42 (a) through (c). The recommendation of the URC shall adhere to the criteria and qualifications in 12.80 and 12.90, 43.70 and 43.80 or 51.80 and 51.90 as appropriate.

(d) The URC secretary shall keep minutes of each meeting, including attendance and decisions, and a file of all documents consulted.

12.43 (a) The URC shall decide by simple majority whether or not the application is recommended for approval. In cases involving tenure, the URC may recommend deferral based on the procedures of 12.74. The URC shall not make its final decision until it has reviewed all recommendations for a category of application (renewal, tenure, promotion) within a given year, to ensure consistency of process.

(b) The URC shall report its decision to the candidate in a registered letter, a copy of which shall be sent to the DRC/LRC through its Chair. The letter shall detail the reasons for the URC’s decision.

Should the URC find that the decision of the DRC/LRC did not adhere to the criteria in 12.80 and 12.90, 43.70 and 43.80, or 51.80 and 51.90 as appropriate, or that the DRC/LRC has applied those criteria in a manner that is not consistent with that of other DRCs, or that the DRC/LRC made procedural errors, the URC shall report this to the DRC/LRC through its chair in a separate letter. This letter shall specify the criteria that were not adhered to by the DRC/LRC, areas in which consistency is absent, and procedural errors. This letter shall be sent to the DRC/LRC at least ten (10) working days prior to the URC forwarding its recommendation to the President. This letter shall be forwarded to the President with the URC’s recommendation.
If the candidate and/or the DRC/LRC, wishes to appeal the decision of the URC, then, within ten (10) working days of receipt of the registered letter, a notice of appeal must be sent to the Chair of the UAC with a copy to the Chair of the URC. If there is no notice of appeal, the URC shall make its recommendation known in a letter to the President with copies to the candidate, the Chair of the DRC/LRC and the President of the Association.

University Appeals Committee

There shall be a University Appeals Committee (UAC) that shall hear all appeals against decisions of the URC.

Appeals against decisions of the URC may be made to the UAC, by either the candidate or the DRC/LRC, or the candidate jointly with the DRC/LRC. The candidate may not lodge an appeal based on a procedural error committed by the candidate. The DRC/LRC may not lodge an appeal based on a procedural error committed by the DRC/LRC.

Appeals shall be based only on the procedures of this Collective Agreement as it applies to the review process (Articles 12.01 to 12.44) and/or the application of the criteria and qualifications (12.80 and 12.90, 43.70 and 43.80, or 51.80 and 51.90 as appropriate) by the URC.

Notice of appeal against a decision of the URC shall be submitted in accordance with Article 12.44. This notice shall include the evidence on which the appeal is based and it shall form the basis on which the appeal is to be heard by the UAC.

(a) The membership of the UAC shall be as follows:

(i) An academic Dean from a Faculty other than the candidate’s to act as a non-voting Chair.

(ii) Four (4) tenured Professors, representing three Faculties, jointly appointed by the Association and the Board for a three- (3) year term. If an application from a Librarian is being appealed, one of these four (4) Professors shall be replaced by a Librarian. If an application from an Archivist is being appealed, one of these four (4) Professors shall be replaced by an Archivist or Librarian. If an application from an Instructor is being appealed, one (1) of these four (4) Professors shall be replaced by an Instructor.

(iii) One tenured Professor jointly appointed by the Association and the Board. This individual shall be a member of an Academic Unit related to the candidate’s field of expertise.

(iv) A non-voting observer appointed by the Association who may comment on procedural issues. A copy of the observer’s notes shall be provided to the Vice-President (Academic) and the Association within five working days of the UAC meeting.

If any member of the committee has a conflict of interest with respect to a particular appeal or is a member of the appellant’s Academic Unit, the Association and the Board shall jointly appoint a replacement for that appeal.

(b) No individual may serve on the URC and the UAC during the same academic year.

University Appeals Committee Procedures

(a) The University Appeals Committee may decide by unanimous vote that no hearing is needed because the grounds advanced by the candidate and/or the DRC/LRC (Article 12.53) are deemed not to be substantive and, thus, not material to the URC’s decision. In that case it shall not hear the appeal but shall uphold the URC’s decision. Where the grounds are substantive, the UAC must hold a hearing. Where there is to be a hearing, the UAC shall begin to hear the appeal within fifteen working days of receipt of the notice of appeal. If the candidate wishes to attend the hearing but is unable to attend because of a leave under Article 24.34, 24.60, or 24.61, the Parties agree to suspend the hearing until after the candidate’s return to work. The hearing shall be resumed within fifteen working days after the candidate’s return to work.
(b) In considering consistency of application the UAC shall consider only the evidence that was presented to the URC, and shall take into account recommendations of the URC which have occurred within the time frame of the current Collective Agreement.

(c) The UAC shall invite the candidate, who shall be allowed to bring an Employee to act as advocate, and two (2) representatives of each of the DRC/LRC and the URC.

(d) The candidate and advocate, DRC/LRC and URC representatives shall be invited to be present throughout the hearing and shall have the opportunity to address the grounds for appeal. Each party to the appeal shall be allowed to make a presentation and question the other parties to the appeal. The UAC shall inform participants of their rights and duties prior to the commencement of any testimony.

(e) At the conclusion of the hearing the UAC shall consider its decision in camera. The decision shall be by simple majority. The UAC shall render a decision within five (5) working days of the conclusion of the hearing.

(f) In rendering a decision, the UAC may either uphold the recommendation of the URC or determine that the grounds for the appeal have been substantiated.

(i) If the UAC upholds the appeal, then it must review the application following the procedures set down for the URC. The UAC must not base its decision on the grounds for appeal alone but rather on an overall assessment of the candidate and the criteria for renewal, tenure or promotion. It may not recommend that renewal, tenure or promotion be granted solely on the basis of a procedural error. The UAC shall review all applications in the cohort without meeting with individual applicants.

(ii) Decisions of the UAC shall be binding on the Board and may be grieved by the Association only on procedural grounds as defined in 12.53.

(iii) The UAC shall, through its Chair, make its recommendations known in writing to the candidate with copies to the President, the DRC/LRC, the URC and the Association, stating its reasons based on the appropriate criteria in this Collective Agreement, the candidate’s letter of appointment, and the specific grounds in the notice of appeal.

(g) The Chair of the UAC shall arrange to keep minutes of each meeting, including a record of attendance and decisions, and a file of all documents consulted.

12.70 Procedures Relating to Decisions on Renewal, Tenure and Promotion

12.71 The President shall transmit decisions of the UAC or recommendations of the URC in favour of the candidate to the Board.

12.72 If the Board decides not to adopt the recommendation of the URC, it shall do so only on the basis of the criteria stated in the relevant articles of this Collective Agreement and shall give written reasons for its decision to the candidate, the URC, the DRC/LRC, the President and the Association.

12.73 In cases of tenure, if the UAC’s or Board’s decision is that it be denied, the candidate’s appointment shall terminate at the end of the current probationary term unless the candidate is in the last year of such a term, in which case a one-year terminal appointment shall be offered.

12.74 Decisions on tenure shall be deferred only with the written agreement of the candidate and on the basis of clearly stated conditions based on the criteria in the relevant articles of this Agreement. The meeting of these conditions shall result in the award of tenure. Final decisions must be reached within two (2) years, and the candidate’s probationary term shall be extended to make deferral possible.

12.75 The President shall communicate the Board’s decisions on renewal, tenure or promotion according to the following schedule:
(a) Renewal of Appointment – no later than 31 January of the academic year during which the appointment terminates.

(b) Tenure, Combined Tenure & Promotion to Associate Professor, and Promotion to Associate Professor – no later than 30 April of the academic year in which the application for tenure is made.

(c) Promotion to Full Professor – no later than 31 May of the academic year in which the application for promotion is made.

An annual report that summarizes the activities of the URC shall be prepared by the Chair and distributed to Professors by 30 June. The report shall include, but is not necessarily limited to, the following statistics separately for each of tenure and promotion:

(a) the number of candidates recommended by their DRC;
(b) the number of candidates not recommended by their DRC;
(c) the number of recommendations in (a) that were overruled by the URC;
(d) the number of recommendations in (b) that were overruled by the URC.

An annual report that summarizes the activities of the UAC shall be prepared by the Chair of the UAC and distributed to Professors by 30 June. The report shall include, but is not necessarily limited to, the following statistics separately for each of tenure and promotion:

(a) the number of candidates who appealed to the UAC, who were recommended by their DRC but not by the URC;
(b) the number of candidates who appealed to the UAC, who were not recommended by either their DRC or the URC;
(c) the number from (a) where the UAC reversed the recommendation of the URC;
(d) the number from (b) where the UAC reversed the recommendation of the URC.

Criteria for Renewal, Tenure and Promotion (Professors)

12.81 Consideration for Promotion

A Professor is eligible for consideration for promotion at any time, the essential element in any promotion being the demonstration of a record of achievement. Time of service in a particular rank may not be used to deny promotion to a higher rank.

12.82 A candidate’s record of achievement includes scholarship, teaching, and service at other institutions, either prior to employment at Acadia or in parallel but must include evidence of satisfactory performance as a teacher, scholarly activity and service while employed at Acadia University.

12.83 The factors to be considered in assessing performance of a Professor in relation to renewal, tenure and promotion to ranks above Assistant Professor shall be:

(a) academic qualifications
(b) performance as a teacher
(c) scholarly activity
(d) service

All of these criteria must be present in an application for renewal, tenure and promotion although they need not be present to the same degree. It is the overall assessment of the candidate that must guide the DRC’s, URC’s, and UAC’s decisions. Remuneration received in connection with the criteria shall in no way diminish their value in consideration for renewal, tenure and promotion.

(a) Academic Qualifications

The normal criterion shall include an earned doctorate at the Assistant rank and higher. Equivalent qualifications and/or experience may be substituted, such as professional qualifications in fields where
doctorates are not normally available, or where the candidate has accumulated experience judged to be particularly relevant and valuable to a discipline. The Letter of Appointment should state whether or not the Professor has the appropriate academic qualifications, or whether further qualifications must be obtained. Once a candidate has been recognized as having appropriate academic qualifications either by Letter of Appointment or by a ruling of the DRC and URC during consideration for renewal, tenure or promotion, the criterion of academic qualifications shall be deemed satisfied for future consideration under this article.

(b) Performance

Performance in teaching, scholarly activity, and service shall be evaluated in relation to the duties expected of Professors in Article 17 and in relation to the Annual Career Development Meetings and supplemented by other materials provided under Article 12.03.

12.84 The Parties recognize that the nature of teaching duties, scholarly activities and service contributions may vary from discipline to discipline and, as a consequence, the evidence used to demonstrate levels of performance will depend on an individual Professor’s Academic Unit(s) affiliation. Further, the Parties also recognize that performance as a teacher cannot be evaluated solely on the basis of student surveys but must consider the full range of activities in Appendix I (a). To assist Professors with the preparation of their dossier and professional resume, lists of activities that might be used to demonstrate the required level of competence in the various criteria at each rank have been appended as Appendix I. The list of activities is neither inclusive nor exclusive.

12.85 The assessment of Professors shall take due account of performance in the specified spheres of teaching and non-teaching activities, giving such performance the same relative emphasis as indicated by their order in Article 12.83 unless stated otherwise in the candidate’s letter of appointment or as indicated by the candidate’s current responsibilities.

For candidates holding a Canada Research Chair (CRC), the applicant shall demonstrate progress towards a record of research excellence consistent with the expectations of the CRC program with a greater degree of external recognition and research funding than expected of Professors who do not hold a Research Chair. Evaluation of teaching shall be adjusted in terms of quantity but not quality in respect to CRC’s reduced participation in teaching.

12.86 Joint Application for Tenure and Promotion (Professors)

Employees holding the rank of Assistant Professor may make a single application for tenure and promotion to the rank of Associate Professor. If the Employee meets the criteria for Associate Professor, tenure shall also be granted. However, as the criteria for promotion to Associate Professor exceed those for tenure, the DRC and/or the URC may determine that it is appropriate to award tenure but not promotion to Associate Professor.

12.90 Qualifications for Renewal, Tenure and Promotion (Professors)

12.91 Renewal

The qualifications for renewal of a probationary appointment shall include evidence of suitability as a teacher, evidence of developing scholarly activity and evidence of contribution to the academic community as indicated in the reports of annual Career Development Meetings and by other materials provided under Article 12.03.

12.92 Tenure

The qualifications for tenure shall be:
(a) possession of an earned doctorate or its equivalent as specified in Article 12.83 (a);
(b) evidence of good performance as a teacher;
(c) evidence that the candidate has established the foundation of an enduring and productive involvement in scholarly activity;
(d) evidence of participation in service activities that contribute to the function of the University.

The records of annual Career Development Meetings and other materials provided under Article 12.03 shall be a primary source of information in assessing (b) – (d) above.
12.93 **Assistant Professor**

The qualifications for promotion to Assistant Professor shall be possession of an earned doctorate or its equivalent as specified in Article 12.83 (a). According to whether all degree requirements are successfully completed before or after 31 December, such promotion shall become effective either the previous 1 July or the following 1 July.

12.94 Promotion to ranks beyond Assistant Professor shall be based upon the criteria, with the same priority, as specified in Articles 12.83 and 12.85.

12.95 **Associate Professor**

Promotion to the rank of Associate Professor shall be based upon a record of accomplishment:

(a) evidence of a positive record of performance as a teacher;

(b) evidence of accomplishment in the discipline to be demonstrated by scholarly activity that is supported by external recognition of the candidate’s work;

(c) evidence of service to the University and discipline-related service to the academic, professional, or broader community.

The records of annual Career Development Meetings and other materials provided under Article 12.03 shall be a primary source of information in assessing (a) – (c) above.

12.96 **Full Professor**

The qualifications for promotion to the rank of Full Professor must include continuing performance consistent with the rank of Associate Professor and a distinctive contribution to academic life above the standard required for promotion to Associate Professor.

Distinction is defined in the following ways:

(a) To be recognized as a distinctive teacher, the candidate must present evidence of superior performance as a teacher and evidence of superior contributions to the teaching of the discipline.

(b) Distinctive scholarly activity is scholarly activity recognized at national or international levels. Both the quality and quantity of such work shall be considered by the DRC, the URC and the external referees.

(c) Distinctive service to the University and academic community would be evidenced by the candidate having made contributions of leadership and innovation involving decisions and policies that have had a major beneficial influence. The holding of any office, administrative position or memberships is not, in itself, meritorious but must be accompanied by evidence of contributions that are recognized as outstanding examples of service.

The records of annual Career Development Meetings and other materials provided under Article 12.03 and 12.23 shall be a primary source of information in assessing (a) – (c) above.

**Article 12.00 Appendix I**

Lists of activities that might be used to demonstrate the required level of competence in the various criteria at each rank are presented below. Such evidence may include both quantitative and qualitative aspects. The list of activities is neither inclusive nor exclusive, nor does it imply expectations of performance. The lists are not presented in order of preference with regard to renewal, tenure or promotion but reflect activities that Professors perform in carrying out their normal Academic Responsibilities as required in Article 17.01, 17.02 A, 17.03 A, 17.04 and 17.05.

(b) Scholarly Activity

Examples of scholarly activities that may be presented by a candidate for evaluation are listed below. The list is not ranked but the candidate should be aware that materials adjudicated by external referees carry significantly more weight than do non-refereed materials. It may be useful to the DRC and URC to indicate the nature of the review process for the materials included in the dossier. In accordance with Articles 12.22 (b) and 12.27, I hereby submit the completed DRC Procedure Form:

Dated: ____________________________________________
Signed: ___________________________________________
Secretary of the DRC

**Article 13.00 Resignations and Termination of Appointment**

13.01 Employees wishing to terminate their employment shall, whenever possible, give at least two months’ written notice to the President, with copies to the Head and Dean or University Librarian.

13.02 Employment may be terminated by mutual written agreement at any time. The President of the Association shall be notified of any termination.

13.03 Employees terminating a first appointment before the expiry of such appointment shall repay to the Board, on a pro rata basis, any moving expenses paid to them.

**Article 14.00 Reprimand, Discipline, Suspension, and Dismissal**

14.01 Discipline of Employees shall be only for just cause, and shall not be based on anonymous information. The disciplinary measures taken shall be commensurate with the just cause.

14.02 (a) When a Dean has been informed according to the procedure of Article 15.50 (g) of an Employee’s deficiency or area of neglect in which there has not been acceptable improvement, the Dean may call a
meeting of the Employee and the Head, when applicable, in an attempt to resolve the issue. A representative appointed by the Faculty Association shall be present.

(b) If the issue is not resolved at the meeting, the Dean shall undertake an inquiry to determine whether there is just cause for disciplinary action against an Employee. If as a result of the inquiry the Dean considers that just cause exists, she/he shall give written notice and recommendation to the Vice-President (Academic), with particulars thereto, and shall inform the Employee of the action that she/he has taken, giving specific details of the alleged cause for disciplinary action. A copy of this correspondence shall be sent to the Senior Grievance Officer of the Association along with a report on the details of the Dean's inquiry.

(c) Where applicable, and taking into account the protection of students, this statement shall include all names, places and dates in relation to alleged incidents. Complaints must be written and signed but names may be protected until reaching Article 14.03.

14.03 If the Vice-President (Academic), on review and consideration of the report and details of the Dean’s inquiry determines that just cause exists to warrant further action respecting the discipline of the Employee, she/he shall notify the Employee and the Senior Grievance Officer of the Association, giving specific details of the allegations, and shall initiate procedures for informal mediation. The Vice-President (Academic) shall arrange a meeting with the Employee, the Senior Grievance Officer of the Association or his/her delegate, the Head, and the Dean, in an attempt to reach a settlement.

14.04 Within ten (10) working days of the meeting, the Vice-President (Academic) shall notify the Employee in writing either that the matter shall not proceed further or that the Employee shall be disciplined on the grounds included in the written submission. Copies of the Dean’s correspondence with the Vice-President (Academic) shall immediately be sent to the Senior Grievance Officer of the Association.

14.05 If the Vice-President (Academic) has determined that disciplinary action is warranted, she/he shall give written notice through registered mail to the Employee, with copies to the Head, the Dean, the Senior Grievance Officer and the President of the Association, that one of the following penalties is being invoked, and the particulars thereto:

(a) a formal letter of reprimand to the Employee, specifying the grounds. This reprimand shall be placed in the President's File of the Employee. Letters of warning or reprimand must be clearly identified as being disciplinary measures;

(b) written notice of suspension with pay with Group Insurance Benefits for up to fourteen (14) calendar days. Notice to include reasonable details for the suspension and commencement date of the suspension;

(c) written notice of suspension without pay for up to thirty (30) calendar days. Group Insurance Benefits only shall be maintained and only the Board’s portion shall be paid by the University. Notice to include details for the suspension and commencement date of the suspension;

(d) a recommendation to the President that the Employee be dismissed according to the procedures of Article 14.

14.06 The Association has the right to grieve discipline levied. Failure of the Association to grieve any disciplinary measure shall not be deemed an admission of the validity or invalidity of the disciplinary measure. The Association wishing to contest disciplinary action other than dismissal must, within fourteen (14) calendar days of receipt of the notice, file a grievance as per Article 18. If the Association wishes to contest dismissal, within fourteen (14) calendar days of receipt of notice, the matter shall proceed directly to arbitration.

14.07 Copies of written reprimands shall be removed from the Employee’s Personal File after three (3) successive years have elapsed during which there was no further record of disciplinary action, or such shorter period as the President may determine.

14.08 In the event that the behaviour giving rise to the disciplinary action was related to mental health or the use of alcohol or drugs, the Employee shall be given the opportunity to voluntarily seek treatment/ counseling for the problem. If the Employee participates in an active treatment program, the Vice-President (Academic) shall
mitigate or suspend the disciplinary action pending the outcome of the treatment/counseling as certified by the University Physician. In this case Article 24.60 may apply.

14.09 If an Employee poses a real and present danger to the safety of any member of the University community, or a serious and immediate threat to the functioning of the University, he or she may be suspended with full pay and benefits pending resolution of any grievance challenging such suspension or the expiry of the time limits applicable to the filing of such a grievance. The Association shall be informed as soon as possible of this action.

14.10 In the case of suspension without pay, an Employee's salary and Group Insurance Benefits shall continue without interruption until grievance and arbitration processes (if any) have concluded.

14.11 If disciplinary procedures are in progress while an Employee is being considered for renewal, tenure, promotion or sabbatical, at the request of the Employee the consideration process shall be deferred until the disciplinary process has been concluded. If procedures interrupt the normal renewal, tenure, promotion or sabbatical cycle, the consideration process and, if appropriate, dates of appointment, shall be extended to the next application cycle.

14.21 A decision by the President to terminate shall be in writing, sent by registered mail, with a copy to the President of the Association. It shall include a detailed rationale for the dismissal and the effective dates.

14.23 Termination of the employment of an Employee who has permanent tenure or a continuing appointment, or whose probationary or term appointment has not expired, other than by resignation, shall be in accordance with the dismissal procedures following.

14.24 No Employee shall be dismissed unless and until the procedures in Article 14.30 have been followed.

14.30 Hearings in Cases of Proposed Dismissal for Cause

(a) When it is proposed according to Article 14.05 (d) that an Employee be dismissed for just and proper cause, the President shall inform the Employee in writing, with a copy to the President of the Association, and invite the Employee and the President of the Association or the President of the Association's representative, to meet with him/her or the Vice-President (Academic) at a time and place specified in the communication, with at least seven (7) working days' notice being given.

(b) At the meeting of the Employee and the President or Vice-President (Academic), and the President of the Association, or the President of the Association's representative, the discussion shall be directed toward resolving the situation in a manner satisfactory to the Employee and the Board. The meeting may be attended by two (2) relevant appointees as advisors to the Board and two (2) appointees as advisors to the Employee, one (1) appointed by the Employee and one (1) appointed by the Association. All those attending the meeting shall be entitled to participate in the discussion.

Both the Board and the Employee concerned shall have the right to replace one of its advisors by a consultant from outside the University after giving written notice to the other of this intention at least two working days before the scheduled meeting. The written notice shall give the name, address and occupation of the consultant. In this case, the other side shall automatically have the right to replace one of its advisors by a consultant from outside the University.

(c) If for any reason the meeting provided for in Article 14.30 (b) does not take place, or if no mutually satisfactory resolution of the situation is reached at the meeting, the Employee shall be given detailed written reasons for the proposed dismissal no later than seven (7) working days after the meeting or after the date of the meeting referred to in Article 14.30 (a) should that meeting not take place. The statement of these reasons shall constitute the Board's case for dismissal of the Employee. Where applicable, and taking into account the protection of students, this statement shall include all names, places and dates of alleged incidents.

14.31 Article 19.10 notwithstanding, if the Association wishes to bring the matter to Arbitration, notice in writing to this effect shall be given by the Association to the President no later than fourteen (14) calendar days from the receipt of the written reasons for the proposed dismissal.
14.38 The salary and Group Insurance Benefits of the Employee shall continue at least until the Arbitrator or Arbitration Board has handed down a decision.

14.39 At her/his discretion, the President may at the time of giving notice of the proposed dismissal referred to in Article 14.31 relieve the Employee of her/his duties. Such relief of duties shall not be considered to be suspension as described in Article 14.05, and salary and group life/health benefits shall continue as in Article 14.38.

14.40 All written communications from the Board to the Employee and from the Board to the President of the Association or her/his representative in matters of reprimand, suspension and dismissal shall be by personal service or registered mail.

Should the Dean decide in favour of the majority sentiment, that view shall be implemented. Any decision by the Dean against the majority sentiment shall be taken only on proper academic grounds, on budgetary grounds or on the ground that the majority sentiment is not consistent with Faculty and University policy at Acadia, and such grounds shall be given to the members of the Academic Unit in writing.

15.30 Heads are responsible to the Dean of the Faculty for the efficient administration of their Academic Units in accordance with the present Agreement. If a Head has been advised by a Dean of a deficiency or an area of neglect, and no acceptable improvement results, then the provision of Article 15.50 (g) shall apply, with the appropriate substitution of Dean for Head.

15.40 The Head remains at all times a scholar for whom scholarly activity is a fundamental responsibility.

15.50 While generally responsible for communication, organization and administration within the Academic Unit, the Head shall exercise the following particular responsibilities:

(a) Initiate and formulate Academic Unit academic policies and the planning and development of academic programs, including continuing education.

Employees on sabbatical leave during the winter academic term or on a full sabbatical may elect to waive the annual career development meeting in which case it shall be replaced by the filing of the Employee's sabbatical report per 24.23. Employees who are on another form of leave may elect to defer the meeting until they return from the leave.

(e) Each semester in which a Part-Time Employee is on probation as per Article 11.12(d), the Head shall have a discussion about teaching development with the Part-Time Employee no later than one (1) month after course grades have been submitted. Within one (1) month of the meeting, the Head/Interdisciplinary Coordinator as appropriate shall write a letter to the Employee commenting on the discussion that was held regarding teaching development, and providing a review of the Part-Time Employee's performance. The letter shall be copied to the Dean. If the Employee disagrees with the Head's comments, the Employee may write a letter to the Dean.

For a Part-Time Employee on the Precedence List, a Lecteur/Lectrice, or a PAD, such a discussion about teaching development may take place at the end of a semester at the request of either the Head or Employee, but shall not be mandatory.

The Head shall solicit, and the Part-Time Employee shall submit, an updated curriculum vitae and a completed Teaching Development Report (Appendix III) before the Employee meets with the Head.

(f) Advise Employees of their professional responsibilities, and bring to the attention of colleagues concerned any reported neglect of these responsibilities which may, if not addressed, invite disciplinary action. In such cases, the Head shall address the issue in a letter to the Academic Unit member concerned. The letter shall outline the nature of the problem(s) and the potential solutions. This letter shall not be interpreted by either party as a disciplinary measure.

(g) Where a member of the Academic Unit has been advised of a deficiency under 15.50(f) without showing an acceptable improvement, the Head shall address the issue in a letter to the Academic Unit member concerned. The letter shall outline the nature of the problem(s) and the solutions attempted. A copy of that letter and any response shall be submitted to the Dean. The Employee has the right of a response which, if written, shall be appended to all copies of the letter.

(h) Prepare, after consultation with all members of the Academic Unit, an allocation and schedule of teaching responsibilities. The Head shall follow the Senate Guidelines for Timetabling and shall submit the schedule to the Registrar. The Head shall work with the Registrar to adjust the schedule to fulfill the Academic Unit's objectives in the context of the overall schedule.

This consultation shall be made as early as possible. It shall normally be completed by 1 February of the year concerned and shall be communicated to the Dean. Members of the Academic Unit who are dissatisfied with their allocation of teaching duties shall have the right to put their dissatisfaction to the Dean for a decision. The Dean shall normally make a decision within fifteen (15) working days of receiving the request. After consultation with the affected member(s) and the Head, the Dean has the right to change the duties of any member. An appeal can be made to the Vice-President (Academic) whose decision shall be final.

(i) After consultation with all Academic Unit members and with the agreement of the Dean, take necessary action to cancel courses or alter sections of courses as need arises. Should a course offered via Open Acadia attract insufficient registration, the Head may consult with the Director of Open Acadia and the Dean to determine whether the course should (1) remain cancelled, (2) be provided as part of a Professor's or Instructor's regular teaching responsibilities (Article 44.11), or (3) be supplemented by funds from the Faculties.

(j) Prepare Academic Unit budget in consultation with members of the Academic Unit and submit it to the Dean.

(k) Administer the Academic Unit budget as authorized.

Make arrangements for the discharge of her/his duties as a Head during annual vacations and other occasional absences by appointing a Designated Head from eligible Employees within the Academic Unit in accordance with Articles 16.21 and 16.22. Except in cases of annual vacation or other occasional absences, the Head shall not delegate signing authority.

Select, assist and supervise academic support staff and cooperate with the Academic Unit of Human Resources in the administration of terms of employment.

Before exercising the foregoing responsibilities, the Head shall, whenever it is possible to do so, carry out full prior consultation with all the members of the Academic Unit.

On request of a Head, her/his academic teaching load shall be reduced below the normal by one-half course or equivalent for Academic Units with a faculty complement of four (4) to six (6), by one (1) full course for Academic Units with a faculty complement of seven (7) to ten (10), by one and one-half full courses for Academic Units with a faculty complement of more than ten (10), and by two (2) full courses for Academic Units with a faculty complement of more than fifteen (15).

Academic Units may elect an Assistant Head following the procedures of Articles 16.01, 16.02, 16.04, 16.09, 16.10 (a), 16.12, 16.13, 16.18, and 16.19. Academic Units shall minute their decision on what duties will be delegated to the Assistant Head. Such duties shall not include those described in 15.50 (a), (c)-(j), and (l)-(n). Academic Units may elect to assign some of the course release provided to Heads in Article 15.51 to Assistant Heads. Assistant Heads shall carry out their delegated duties in consultation with the Academic Unit.

Employees shall conduct a student survey of each course they instruct. Employees shall use either a digital or scannable version of the student surveys form. When using a paper version of the form, each Employee shall designate a student to distribute the student surveys in class and to be responsible for delivering immediately the completed student surveys to the Head/Director of the Academic Unit as appropriate. For courses taught on a per course basis, student surveys for designated Interdisciplinary courses shall be delivered to the Interdisciplinary Program Coordinator. For courses taught as part of a full-time Employee’s regular teaching load, student surveys for designated Interdisciplinary courses shall be delivered to the Head, who shall forward them to the Interdisciplinary Program Coordinator, only for the purpose of monitoring the program. When using an electronic version of the survey, the Employee shall direct students to the appropriate web site. The Employee shall leave the classroom while the students complete the survey. In the case of courses offered by the Head/Director, surveys shall be delivered directly to the Dean.

The Head shall arrange for all quantitative data to be delivered to the appropriate Dean who shall arrange for the data to be processed. The Dean’s office shall be responsible for producing a Summary Data Sheet including the averages and frequency of responses for each item of each course and an Academic Unit Summary Data Sheet. The Dean shall ensure that all information contained on the Summary Data Sheet remains confidential. The Dean’s office shall forward all summary data sheets, other than those of courses offered by the Head/Director to the Head/Director who shall review the student surveys and return a copy of the Summary Data Sheet and the Academic Unit’s Summary Data Sheet to the Employee within three (3) weeks following submission of grades for the course. Academic Unit summary data sheets shall not be provided to Employees when they are based on fewer than six (6) courses. The student surveys shall be discussed with the Professor or Instructor as part of the career development meeting as stated in Article 15.60. The purpose of the surveys is to provide Employees with an opportunity to enhance their teaching development. The surveys belong to the Employee.

The Professor or Instructor and the Dean shall retain the Summary Data Sheets for use in any procedures outlined in Article 12.

Responsibilities of the Head for Career Development Reports

16.02 Term as Head

The headship term shall normally be three (3) years.

Time spent on sabbatical leave shall not be included in the three (3) years mentioned above nor shall such leave be construed as interfering with continuity as Head.

16.04 Election of Head

Academic Units may elect a Head for a three- (3) year period, or an Acting Head for a period of not more than one (1) year renewable only once. When a Head or an Acting Head leaves office before the end of his/her term, or goes on leave for a period exceeding one (1) year, the Dean/University Librarian shall call and chair a meeting of the eligible members of the Academic Unit in order to determine whether the Academic Unit wishes to elect a Head or an Acting Head. If a majority of the Academic Unit is in favour of a Head, and the Dean/University Librarian concurs, then the procedures of Article 16.14 shall apply. Otherwise a search (Article 16.08) shall be initiated. When a Head goes on leave for a period not exceeding one year, an Acting Head shall be elected, according to the procedures of Article 16.14.

16.08 Search Procedures

Internal, or Internal/External

The Dean/University Librarian shall forward the results of the election to the Vice-President (Academic).

16.10 Only One Candidate or No Candidates

(a) Where there is only one (1) candidate, and the Dean/University Librarian has ascertained that the individual is willing to serve, then the Dean/University Librarian shall conduct a vote of all eligible members of the Academic Unit to determine whether or not the candidate is acceptable. If the majority is affirmative, the Dean/University Librarian shall notify the Vice-President (Academic). (a) the Dean/University Librarian who shall be the Chair;

(b) three (3) eligible members elected by the Academic Unit;

Standard Office Facilities

The Board shall provide each Employee with a private office containing ergonomically sound furnishings (chair and desk), telephone, bookshelves, and a filing cabinet. "Private" shall be assumed to include ceiling to floor walls with sound insulation; lockable doors; lighting sufficient for reading, writing, and computer work; appropriate window and floor coverings; temperature maintained in normal room temperature range; and acceptable air circulation and quality.

The Board shall provide an annual budget administered by a committee consisting of the Deans to address proactively the requirements of Article 17.11.

If Employees are absent from their offices for more than three (3) months, their offices may be used temporarily for other purposes. The Head, Dean or Vice-President (Academic) as appropriate, shall give the Employees concerned and the President of the Association written notice of its intentions so that such Employees may remove their personal belongings from their offices if they so desire. In the event of an absence of more than three (3) months, the Employer shall have the right to remove the Employee’s personal belongings to a secure area if the Employee declines the opportunity to remove his or her personal belongings. (a) The Board recognizes the value to the Employee of having ready access to computing facilities and shall maintain them. Charges may be levied for computer facilities and services used in contract work or consulting. The Board shall provide each Employee with a computer, mouse, keyboard, keyboard tray, and network access. If the computer is a laptop model, the necessary cords and cables shall be provided upon request. Access to computers and network accounts commences two weeks prior to the Employee’s contract start date and terminates two weeks subsequent to the contract end date of the Employee’s contract.

(b) Employees who have a confirmed appointment for an upcoming academic session shall retain their library privileges, laptop computer, and associated services for the break between appointments.

(c) Employee files and personal communications, including those that are stored or transferred electronically on University computer systems, are private. The Employer reserves the right to monitor and access user accounts in order to maintain the integrity of the computer system in a secure and reasonable manner. Only authorized personnel in the performance of their employment duties may access and monitor the use of information technology and computing facilities. The Association shall be provided with a list of these personnel annually; an updated list shall be provided to the Association upon request.

For the purposes of this clause, two separate sections of the same course shall be interpreted as being two different courses.

17.23 Adequate Classroom Space

The Board shall make a reasonable effort to provide classroom and library space which meets the pedagogical needs of the various academic subjects. Employees must be present and teaching for the period for which they are claiming teaching credit. When an Instructor is assigned to a course, the Professor shall claim no teaching credit for that course. An enrolment of six (6) students for one academic term in individual instruction of applied music courses requiring one (1) hour per week of individual instruction is equivalent to a three- (3) hour course assignment; for an enrolment of fewer students the fulfillment of teaching expectation is adjusted proportionally. Instruction of ensembles in the School of Music shall be credited at one-half (0.5) times one (1) credit hour of each hour of weekly ensemble.

Office Hours

Professors’ responsibilities extend beyond the classroom. Professors shall be available for consultation with students and to contribute to the administrative work of the Academic Unit and of the University for at least two hours per week for each three- (3) hour credit course to a maximum of six- (6) hours per week at stated times. (b) The hours of work for full-time Librarians in the performance of their duties shall normally be thirty-five (35) hours per week. The normal hours of scheduled availability in the library shall not exceed twelve (12) per week and shall be fairly and equitably distributed during the operating hours of the library.

17.50 Standard Teaching Expectation (Instructors)

(a) Instructors involved with laboratory/studio/theatre instruction shall have a maximum teaching expectation of eighteen (18) contact hours per week. This amount shall be decreased proportionately as other duties as defined in Article 17.02 C are assigned or if the position is half-time other than full-time. No Instructor shall be required to teach laboratories/studios/workshops for more than three (3) different courses per term.

(b) Instructors may teach the equivalent of one six-(6) hour credit course during the Fall and Winter terms. Instructors in the School of Music may teach up to the equivalent of three (3) six-(6) hour courses during the Fall and Winter terms.

Full-time Employees may therefore engage in consultancy activities insofar as these are compatible with their University responsibilities and the general educational goals of the University. Such consultancy activities should not exceed one (1) working day per week for full-time Employees. Consultancy activities should not interfere with the normal timetable for lectures and laboratories or with the normal provision of library or archives services. Employees shall notify their respective Dean, or for Librarians/Archivists the
Commitments outside the University which are intended to be or probably will become of a major or continuing nature require the recommendation of the Head following consultation with the Academic Unit and written approval by the Dean or University Librarian, which shall be obtained prior to acceptance of the commitment.

The use of University equipment, for consulting purposes, is permitted subject to the following conditions:

(a) Priority use of the equipment shall be teaching and research or library/archival service.

(b) Use of facilities or equipment for consulting purposes beyond occasional, incidental use requires the Professor or Librarian or Archivist to negotiate with the Dean of Research and Graduate Studies and the Head/Director of the Academic Unit (or, in the case of the Curator, the Dean of Arts) to establish a reasonable rate for the use of the equipment or facilities. The rate shall take account of any commercial rate for similar equipment and incidentals, such as solvents, gases, paper, etc., provided by the Academic Unit/Gallery.

(c) In the case of teaching equipment, funds shall be credited to the Academic Unit/Gallery budget. In all other cases an equitable distribution between the Academic Unit/Gallery and research accounts must be agreed upon by the faculty member and the Academic Unit/Gallery.

Teaching commitments or library/archival/gallery commitments outside the University require the written approval of the appropriate Dean/University Librarian and (for Professors, Instructors, Librarians and Archivists) the Head, Director, or Research Services Head. Such approval shall be obtained prior to acceptance of the commitment.

Occupational Health, Safety, Security, and Accessibility

The Parties agree that the health and safety of Employees is an important mutual concern. The Parties agree that they shall cooperate in promoting the health and safety of Employees at the University and in effecting compliance with the Nova Scotia Occupational Health and Safety Act (the Act).

The University Joint Occupational Health and Safety Committee (JOHSC) shall oversee health and safety in the campus community and monitor compliance with the Act.

The Employer agrees:

(a) to act promptly on recommendations of the JOHSC;
that the Association shall have the right to appoint at least one (1) person to any representative committee whose terms of reference specifically include the health, safety, security, and accessibility of Employees as they carry out their responsibilities;

Upon the Employee's request, the Employer shall instead provide a designated parking space in an agreed upon location.

Article 18.00 Grievance

18.10 The Parties shall use every effort to encourage informal, amicable and prompt settlement of potential grievance arising from the administration of this Agreement. (See Article 30.25) However, the Parties recognize that one of the cornerstones of collective bargaining is a viable grievance procedure allowing for prompt and fair hearing of matters arising from the interpretation and application of the Collective Agreement. There shall be no discrimination, harassment or coercion of any kind against an Employee who elects to use these procedures.

18.11 Except as otherwise specified in this Agreement, the procedures detailed hereunder shall be the sole method to be used for the resolution of complaints or grievances arising from the interpretation and application of this Agreement.

18.12 All pending or unsatisfied grievances brought to the attention of either Party prior to the execution of this Agreement shall be subject to the grievance and arbitration procedures of this Agreement.
Definition of “Grievance”

A grievance is any complaint arising out of the interpretation, application, administration or alleged violation of this Collective Agreement or existing and approved practice if not in conflict with Articles of this Agreement, in which case the latter have precedence.

Who May Grieve

(a) The Association may grieve on behalf of any one Employee or a group of Employees or the bargaining unit as a whole.

(b) The Board may grieve.

Employees shall be represented by designated member(s) of the Association Grievance Committee during such discussions. The Employer shall be represented by the appropriate administrator or by an administrator designated by the Vice-President (Academic) or the President.

If informal resolution attempts are unsatisfactory to the Parties, they may initiate formal grievance procedures.

Within thirty (30) working days of first learning of the event giving rise to the complaint, the Party wishing to initiate formal grievance procedures shall write to the Vice-President (Academic) notifying her/him of that intention, outlining the problem, and indicating attempts at an informal resolution. A Grievance filed by the Association shall be submitted using Appendix I in the Collective Agreement.

The Vice-President (Academic) shall, within five (5) working days of receiving the grievance, arrange a meeting with the Association President or designate and the Senior Grievance Officer. If the Association is grieving on behalf of any one (1) Employee, where both Parties agree, the Employee may be present. This meeting shall take place within ten (10) working days of the time the Vice-President (Academic) received the grievance, unless the Parties agree to extend this time limit.

Where the Board is grieving, the Vice-President (Academic) shall, within five (5) working days of receiving the grievance, arrange a meeting with the Association and the appropriate levels of administration.

At the above meeting, the Vice-President (Academic) or her/his representative shall indicate any steps that he/she feels might resolve the grievance, and shall take an active part in initiating those steps. She/he shall give her/his response to the grievance in writing within ten (10) working days of this meeting.

If a grievance involves the conduct of the Vice-President (Academic), the President shall carry out the functions of the Vice-President (Academic) specified in this Article.

If the grievance has not been resolved upon receipt of the letter described in Article 18.54 either Party may file for arbitration.

Rights and Responsibilities of Grievors

19.47 The Arbitration Board shall not have the right to alter any matter covered by this Agreement.

19.48 Expenses of the Arbitration Board

Each Party shall pay the cost of its appointee. Each of the Parties shall jointly share the fees and expenses of the chair and other expenses of the hearing. Costs of counsel shall be borne by the Party retaining same.

19.60 Time Limits

The time limits fixed in the grievance and arbitration procedures may be extended by mutual agreement between the Parties.

**Article 20.00 Tenure-Stream Position Complement**

The Tenure-Stream Position Complement is defined in Article 1.08.01.

There shall be a minimum Tenure-Stream Position Complement of 182. This Complement number shall be the count on 1 July.

The Board may leave unfilled vacancies caused by natural attrition, or by the expiry of contractually limited term appointments; or, it may transfer such positions to other academic units.

Such decisions which have not been made by Senate and which result in a net permanent reduction of the authorized complement of a unit, or which result in a change in the type of position within a unit (e.g., tenure to CLT), may be appealed by the unit through the Head to the Teaching Complement Committee. Such appeal must be made within fourteen days of the decision being communicated to the Head of the unit by the Dean.

The Teaching Complement Committee shall consist of three members of faculty appointed by the Association (one from each Faculty), three members of the administration who also hold academic appointments chosen by the Board, and the Vice-President (Academic) of the S.R.C. A chair shall be jointly chosen from the preceding by the Association and the Board, and shall have a vote.

The Teaching Complement Committee shall meet and reach a decision on the appeal within fourteen days of receipt of the appeal. In reaching its decision the Committee shall invite a representative of the Academic Unit and a representative of the Board to appear before it. The Committee shall consider all evidence presented which shall include consideration as to whether the unit will remain academically viable in the face of the proposed reduction, academic viability involves maintenance of coherent programs which meet national standards as defined within the academic discipline.

(a) The Part-Time Employee Contribution Rate shall be 8.4% and the Employer Contribution Rate shall match the Part-Time Employee contribution (100%); 

(b) All contributions to the Group RRSP shall be locked-in, and may not be withdrawn or otherwise made accessible to a Part-Time Employee unless and until employment with Acadia University has terminated and/or the Part-Time Employee is no longer eligible to participate in the Group RRSP.

23.42 Eligibility

Part-time Employees who meet the criteria specified in (a) and (b) below shall have the option to participate in the Group RRSP:

For the purposes of Group RRSP eligibility, the employment of Part-time Employees meeting the criteria set forth in (a) and (b) above shall be deemed to be continuous, and such Part-Time Employees shall remain eligible to participate in the Group RRSP, so long as the Part-time Employee continues to teach at least one (1) 6-credit hour course or one (1) 3-credit hour course (or equivalent as specified in Article 17.32 of the Collective Agreement) in each subsequent Academic Year.

Article 24.00 Leaves, Absences, Vacations and Exchanges

24.10 Sabbatical Leave

Sabbatical leave is the earned right of any Professor, Librarian, Archivist, or Curator who is granted leave by the Sabbatical Leave Committee.

Sabbatical leave is intended to provide an opportunity for Professors, Librarians, Archivists, and the Curator to pursue scholarly interests which are related to their academic and professional responsibilities and which would be of sufficient scholarly or pedagogical contribution to justify its being granted. Such leaves will normally be pursued at other locations such as universities.

Those Employees who are eligible to apply are:

(a) full-time Professors with permanent tenure who are in their third or subsequent year of service;
(b) non-tenured Professors who are in their sixth or subsequent year of consecutive service and who have not been denied tenure;
(c) Librarians, Archivists, and the Curator with a continuing appointment who are in their sixth or subsequent year of consecutive service.

24.11 Periods of leave may be for a full or half academic year, the period being 1 July to 30 June for a full sabbatical, and 1 January to 30 June or 1 July to 31 December for half sabbaticals. Professors, Librarians, or Archivists who are eligible for a six- (6) month leave on 1 July of an academic year, but opt to take their leave from 1 January to 30 June of that year shall be given six (6) months of credit toward a subsequent leave.

Employees shall earn one half-year of credit towards sabbatical for every half-year of service, to a maximum of eight (8) years of credit.

A one-year sabbatical will use six (6) years of credit while a half-year sabbatical will use three (3) years of credit. Employees shall automatically carry forward any unused credit.

Letters of offer of sabbatical shall clearly state the amount of sabbatical credit carried forward.
The Dean or University Librarian shall maintain a record of the sabbatical credit balance for all Employees in their Faculty or the Research Services Sector, and annually provide a copy of sabbatical credit balance to the Heads. By 1 July of each year, Heads shall review each Employee’s sabbatical credit balance with the Employee and the Dean shall review the Curator’s sabbatical credit balance with the Curator.

The salary for leave shall be according to the following scale:

<table>
<thead>
<tr>
<th>Eligible Service (years)</th>
<th>Sabbatical Salary (per cent)</th>
</tr>
</thead>
<tbody>
<tr>
<td>less than 6</td>
<td>13.3% per year</td>
</tr>
<tr>
<td>6 or more than 6</td>
<td>80%</td>
</tr>
<tr>
<td>first leave</td>
<td>100% for the first twelve (12) months of sabbatical leave except for those first appointed at the Associate Professor or Full Professor Rank</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Eligible Service (years)</th>
<th>Sabbatical Salary (per cent)</th>
</tr>
</thead>
<tbody>
<tr>
<td>3 and more</td>
<td>80%</td>
</tr>
</tbody>
</table>

In the determination of years of service at Acadia, interrupted service may be totalled if such provision is included in the most recent letter of appointment.

Professors, Librarians, Archivists, and the Curator with six (6) or more years eligibility, whose applications have been approved, and who have been asked by their Sector to delay for one (1) year, shall be granted leave the next year and shall receive one (1) year of credit toward a subsequent Sabbatical Leave.

In all cases, full group insurance benefits shall be provided.

Salaries for Professors, Librarians, Archivists, and the Curator on Sabbatical Leave who have accumulated years of eligibility in both full-time and half-time status shall be calculated on a pro rata basis. For example, a Librarian with six (6) years of eligibility who has been full-time for four (4) years and half-time for two (2) years would be paid:

\[
\text{Full-time salary} \times 80\% \times \frac{10}{12}
\]

24.12 There shall be a Sabbatical Leave Committee which shall:

(a) review and make decisions on all applications for Sabbatical Leave based on the information provided under Article 24.13; a decision to defer the leave shall be made only after consultation with the applicant's Academic Unit;

(b) maintain records of Sabbatical Leave applications and reports.

24.13 Procedures for Applying for Sabbatical Leave

(a) Employees who are eligible for Sabbatical Leave may make an application on the appropriate form (as contained in Appendix I) in writing to the Head (or, for the Curator, the Dean of Arts) and send a letter stating the dates of an intended Sabbatical Leave to the vice-president (Academic) by 1 September of the academic year immediately preceding the academic year in which the Leave is to be undertaken. An up-to-date Curriculum Vitae shall form part of the application. Should the Employee wish to convert a portion of salary to research grant income as per Article 24.25, the Employee shall submit a research budget, conforming with Tri-Council Policy on eligible expenses, for the purpose of converting up to the maximum amount allowable under CRA regulations. The Employee shall submit a Sabbatical Leave project which demonstrates to the satisfaction of the Academic Unit (or for the Curator, the Dean of Arts) and the Committee that the Leave will be of sufficient scholarly, or pedagogical contribution to justify its being granted.

(b) If the Academic Unit envisions that granting leave to an individual will severely limit the program of study of a number of students, or the delivery of library or archives services, the Academic Unit may ask that the applicant’s leave be deferred only if the Employee has less than eight (8) years of sabbatical leave credit.
Such a recommendation for deferment should be made to the Sabbatical Leave Committee by 21 October of the year in which the application is made with copies to the applicant and the appropriate Dean or University Librarian. To minimize such deferrals, the Academic Unit should undertake long-range planning for Sabbatical Leaves.

(c) In all cases, the Academic Unit shall forward, using the form in Appendix I, the complete application together with its recommendation and an up-to-date sabbatical credit report for the entire Academic Unit to the Dean or University Librarian by 21 October. Where the Sabbatical Leave project is directed primarily toward enhancement of teaching, the Academic Unit shall indicate how the project fits into its overall instructional program. For Employees, the plan shall indicate how it will impact on the factors outlined in Article 17.01-17.05. Where the leave project is directed toward enhancement of a Librarian’s or an Archivist’s professional skills or ability to deliver service, the Academic Unit shall indicate how the project fits into the overall plan for the Library or Archives. Where the leave project is directed towards enhancement of the Curator’s professional skills or ability to deliver service, the Dean of Arts shall indicate how the project fits into the overall plan for the Gallery.

(d) The Dean or University Librarian, with consideration of the Academic Unit’s overall sabbatical plan and for its proposed replacement plan, shall submit a recommendation using the form in Appendix I to the Sabbatical Leave Committee by 30 October. The Dean’s/University Librarian’s report shall clearly indicate the impact of the leave on the Academic Unit’s ability to carry out its academic, library, or archives programs and provide service to students.

24.14 The Sabbatical Leave Committee shall be composed of:

(a) the Vice-President (Academic);
(b) one (1) Professor appointed by the President;
(c) four (4) members elected by Professors, Librarians, Archivists, and the Curator. The elected Committee members shall serve for three (3) years. No elected member shall be eligible for re-election to the Committee for a subsequent term until one (1) year without service has elapsed. Elections shall take place annually on or before 1 March;
(d) one student appointed under the auspices of the Students’ Representative Council.

24.15 Should a member of the Committee have a conflict of interest with respect to a particular candidate or should any member of the Committee be a member of the Academic Unit concerned, such member shall withdraw from the Committee during deliberation on such applications. Should a member of the Committee decide to apply for leave, that person shall be required to resign from the Committee before submitting an application for leave. An elected member shall be replaced by a member named by the Committee. An appointed member shall be replaced by the President.

24.16 The difference between an Employee’s salary and her/his sabbatical salary shall be used to fund replacements for Employees on sabbatical leave.

24.17 Because of a particular situation in a Academic Unit, a leave for which an Employee is eligible may have to be postponed (see Article 24.11).

24.18 The Sabbatical Leave Committee shall, through its Chair, make its decision concerning leaves known to the President in writing, with copies to the applicants and the appropriate Head, and the appropriate Dean or University Librarian. The Committee shall render a decision based on its evaluation of the items identified in 24.13. Should the applicant include a budget pursuant to Article 24.25, the Committee shall render a distinct decision on the application for conversion of salary, and that decision shall be based solely on the budget’s conformity with Tri-Council Policy on eligible expenses.

The Dean of each Faculty and University Librarian, after consultation with the Academic Unit Head(s), shall recommend the distribution of replacements within the Academic Units on the basis of the funds available.

24.20 Employees shall be notified by 1 December whether or not leave is to be granted and shall confirm acceptance of an offered leave by 31 December. The Academic Unit shall be notified on the same date. Once an Employee's
plan for Sabbatical Leave has been accepted, he or she is expected to carry it out. Employees may only be granted an exemption if the Head, Dean or University Librarian and Vice-President (Academic) are all in agreement.

24.21 Leaves of absence without pay as per 24.70 shall not be counted as time gained in eligibility for Sabbatical Leave.

24.22 In determining eligibility for Sabbatical Leave, the possibility of taking into account years of service at another university must be stated in the letter of appointment.

24.23 On return to the University, the recipient of Sabbatical Leave shall submit a written report to the Vice-President (Academic) with copies to the Dean or University Librarian and Head, as well as the Sabbatical Leave committee. Such a report shall be submitted within ten (10) weeks of the completion of the leave. These reports on Sabbatical Leaves shall be reviewed by the Sabbatical Leave Committee. If requested by the Sabbatical Leave Committee or the Dean, the Employee shall present a public lecture on the scholarly developments made during the leave. The Dean/University Librarian shall establish a schedule of such lectures during the academic year immediately following the end of the leave.

The Professor’s, Librarian’s, Archivist’s, and the Curator’s total employment income shall not exceed 120% of the salary they would have received had they remained at the University. Any excess above that amount shall be remitted to the Employer within ninety (90) days of the end of the leave period.

Returning Professors, Librarians, Archivists, and the Curator are required to submit a financial statement to the Vice-President (Academic) within sixty (60) days of the end of the leave period.

24.24 The Employee shall have to make a formal request prior to 1 April preceding the approved period of Leave for any major changes in the Employee’s plan for Leave. The request shall be addressed to the Dean or University Librarian who shall consult with the Academic Unit.

24.25 Conversion of Portion of Salary to Research Grant Income

In accordance with the regulations of the Canadian Revenue Agency, the Employer shall assist a recipient of Sabbatical Leave in converting up to the maximum amount allowable under CRA regulations of their annual salary to grant income. The Parties agree that the conversion of salary income to grant income adhere to the following guidelines:

(a) Grant income shall not be treated as employment income, but rather as T4A (other) income.

(b) The Employee shall be responsible for claiming allowable research expenses against the grant income.

(c) Grant income shall be included with salary income in the calculation of pension contributions, Group Life Insurance and Long Term Disability Coverage.

(d) The calculation of CPP and EI contributions shall only be based on salary income.

(e) An Employee wishing to convert up to the maximum amount allowable under CRA regulations of their annual salary to grant income shall notify the Director of Human Resources, no later than 1 June prior to sabbaticals that begin on 1 July and by 1 December prior to sabbaticals that begin on 1 January.

24.26 Employees who have been granted a leave in accordance with Article 24.40, 24.60 or 24.61 during a sabbatical leave are entitled to defer their sabbatical leaves for the period covered by the second leave. Terms for the resumption of the sabbatical leave shall be determined by the Employee and the Vice-President (Academic) in consultation with the relevant Academic Unit and the Association.

24.30 Political Leave of Absence

The Board recognizes that Employees ought to be as free as are members of any profession to participate in public life. It shall, therefore, upon written request, grant leaves of absence to Employees who are candidates in a federal or provincial election, but subject to the following conditions.
Employees shall be entitled to leave of absence with full salary and Group Insurance Benefits during the election campaign as follows:
(a) for election to the parliament of Canada: one (1) month’s leave;
(b) for election to the Legislature of Nova Scotia: one (1) month’s leave.

Employees summoned to be witnesses or for Jury duty shall be entitled to full salary and allowances.

Family Leave

Family leave is a combination of maternity and parental leave. The maximum combined maternity and parental leave to which an Employee is entitled is fifty-two (52) weeks. Eligible full-time Employees shall be granted such leave in accordance with the following provisions.

A. Maternity Leave

Maternity leave is available to the birth mother or surrogate mother for a maximum of seventeen (17) weeks. The maternity leave may begin eight (8) weeks prior to the expected date of delivery, or at the week she gives birth, and end not sooner than one (1) week after the date of delivery, and not later than seventeen (17) weeks after the leave began.

If the newborn child is hospitalized, then the seventeen (17) week limit can be extended for every week the child is hospitalized up to fifty-two (52) weeks following the week of the child’s birth. B. Parental Leave

Employees are eligible for parental leave for up to fifty-two (52) weeks, less any time taken for maternity leave. Parental leave begins upon the expiry of the maternity leave without the Employee returning to work, or anytime following the birth or arrival of the child(ren) into the Employee’s home and ends not later than fifty-two (52) weeks after the child(ren) first arrives in the Employee’s home. The Employee shall give four (4) weeks’ notice to the Head of the date the leave shall begin and four (4) weeks’ notice of the date of the return to work unless the Employee chooses to take the maximum leave to which the Employee is entitled.

24.44 Deferral Option

An Employee is entitled to only one interruption and deferral of parental leave in cases where parental leave has begun, and the child is hospitalized for a period exceeding or likely to exceed one (1) week, the Employee is entitled to resume work and defer the unused portion of the parental leave until the child is discharged from hospital. An Employee who intends to use the deferral option must give the employer as much notice as possible of the dates of resumption of work and resumption of leave and provide the employer whatever proof is reasonable to support the Employee entitlement to the option.

24.45 Supplementary Family Leave Benefit

The supplemental benefit payable by the Employer for an approved Family Leave is an amount which combined with the employment insurance benefit shall be equal to 100% of the Employee's salary at the commencement of the leave. The eligible Employee is entitled to a family leave benefit, payable for a maximum period of twenty-five (25) weeks. If both parents are employed at Acadia University, either one parent may take the benefit paid period or it can be split between the two parents.

24.46 The Academic Unit of Human Resources and the Employee shall mutually cooperate as necessary with respect to the benefits, pension and administrative mechanisms of the leave. Both the Board and the Employee shall maintain their respective contributions to the Group Insurance program during the family leave.

24.47 Pensionable service for an authorized period of absence from duty for which an employee receives partial pay or no pay shall be determined by the provisions of the PSSP.

24.60 Sick Leave

In this Article, when the Employee is the Curator, substitute “Dean of Arts” for “Head”.

(a) When, either:

(i) an Employee is, for medical reasons, suddenly unable to fulfill his or her responsibilities as outlined in Article 17 because of illness, the Employee shall inform the Head of the length of his or her anticipated absence. If the absence is for a period of less than two (2) weeks, the procedures of article 10.45 or 50.45 apply. If the anticipated absence is for longer than two (2) weeks, the Employee may request, through the Head, long-term sick leave.

or

(ii) the Head, in consultation with the Dean or University Librarian, believes that illness is the basis whereby Employees are unable to carry out their responsibilities, the Board may place the Employee on long-term sick leave.

In either case, the Employee shall cooperate with the Head and the Director of Human Resources in determining the extent of the illness.

(b) When the Head receives or makes a request for long-term sick leave, he or she shall inform the Vice-President (Academic) and the Director of Human Resources. The Vice-President (Academic) in consultation with the Head and the Dean shall authorize replacement positions in accordance with the procedures of article 10.45 or 50.45.

The Director of Human Resources shall write a letter to an Employee who has been granted long-term sick leave with copies to the Head and Vice-President (Academic), confirming the details of the leave.

(d) Any further provisions for salary continuation after six months of illness are provided by the Group Insurance Program as applicable. (e) When the University Physician has received medical advice that an Employee is unlikely ever to recover health sufficiently to return to work, the President may with the agreement of the President of the Association terminate the Employee’s appointment.

24.61 Compassionate Leave

Employees requesting compassionate leave shall notify either the Head, the Dean, or the VP (Academic), stating the reasons they are requesting the leave, and the length of time of the anticipated leave. For the first eight (8) weeks of the leave, the Employer shall pay the difference between the amount received from Employment Insurance Compassionate Care Benefits and 100% of the Employee’s regular salary. If the length of the leave extends beyond eight (8) weeks, the Employee’s salary shall be determined by the Employee, or the Association acting on behalf of the Employee, and the Vice-President (Academic). Employees on compassionate leave shall retain full benefits for the duration of their leave.

24.62 The Vice-President shall ensure that funds are made available to cover the costs of making substitute arrangements in consultation with the Dean or University Librarian for the loss of service due to maternity, family, adoption, sick and compassionate leave.

24.70 Leaves of Absence

Leaves of absence without pay may be granted to Employees. The Board, if requested, shall replace such Employees in a manner deemed appropriate by the Dean or University Librarian. Such leaves include the privilege of continued participation up to a total of two (2) consecutive years in the Group Insurance Plan, in accordance with the provisions of the Group Insurance Plan, provided that the Employee on leave pays both his or her and the Employer’s obligations in this regard. Leaves of absence may be granted for a variety of reasons such as further studies, special service for the Government and Canadian International Development Agency. Only in exceptional circumstances can leave of absence be extended beyond two (2) years, and in no case can a leave be extended beyond three (3) years.

Employees shall notify Human Resources prior to the commencement of the leave, of their intention regarding Group Insurance coverage. Except in the case of Family Leave, an Employee returning to work shall do so at the current pay rate for the grid step they were on at the commencement of the unpaid leave.

24.71 The Employee shall normally submit his or her application to the Dean or University Librarian, with a copy to the Head, by 1 September of the year preceding that for which leave is being sought. The Dean or University Librarian, after consultation with the Head and Academic Unit, shall recommend to the Vice-President (Academic) with written reasons whether or not the leave should be granted. The Vice-President (Academic) may ask the Dean or University Librarian to reconsider her/his recommendation and give reasons for such request. The Vice-President (Academic) shall then make a recommendation to the President. Following this reconsideration, the Employee shall be notified of the President’s decision by 1 December and shall accept or reject any offer by 31 December.

24.72 If the request for leave of absence is denied, the applicant shall be given written reasons for the denial.
24.73 Employees on any leave under this Article shall have voting rights within the Academic Unit or faculty on any matter during the period of the leave. The Head or Dean shall notify the Employee of any upcoming votes within the Academic Unit by sending an email to the Employee’s University email account. Where possible, the Employee shall be given no less than three (3) working days to exercise his or her voting rights, and shall be allowed to vote by e-mail.

24.86 In all cases not covered by the provisions of Articles 24.80 to 24.85, arrangements shall require the approval of the Dean or University Librarian.

24.90 Exchanges

The Parties agree that academic/professional exchanges between Employees are particularly valuable. The Parties further agree that such exchanges shall be implemented within the following guidelines:

the responsibility of the Association for one of its members who is engaged in a secondment shall be limited to that individual’s relationship to Acadia University;

secondment to a position other than an academic position within Acadia shall be considered to be the same as a leave of absence for any Acadia Professor, Librarian, Archivist, or Curator in so far as seniority towards tenure, promotion and Sabbatical Leave are concerned;

such secondments shall not normally be considered for more than one (1) year.

24.98 Doctoral Study Leave

Eligibility for doctoral study leave shall be restricted to those on continuing or probationary appointments or to those who have completed at least twenty-seven (27) months of full-time employment at Acadia in a three (3) consecutive year period and who are in the first or second year of a further three year CLT appointment which is contiguous with the above appointment.

(b) Request the Employer to Commercialize the Intellectual Property in which case Articles 33.15 and 33.16(b) shall apply.

33.15 Employer Commercialization of Intellectual Property

(a) Decision to Pursue Commercialization – If an Employee wishes to have the Employer pursue Commercialization pursuant to Article 33.14(b), within ninety (90) days of receipt of the Disclosure specified in Article 33.12, or a longer period if accepted by all parties, the Employer shall decide whether it wishes to proceed with Commercialization. The Employee shall provide assistance during this period, including disclosure of all information that may assist the Employer in making this determination.

(b) Non-Disclosure Period – During the ninety (90) day period specified in Article 33.15(a) or during any extension granted thereof by the Employee, the Employee shall not publicly disclose the Intellectual Property, or otherwise act in a way that may jeopardize the Employer’s ability to protect or Commercialize the Intellectual Property without the Employer’s prior consent.

(c) Employer Decision Not to Commercialize – If the Employer decides not to proceed with Commercialization, the Employer shall promptly notify the Employee who shall then be free to make Commercialization arrangements independent of the Employer at his/her own expense, subject to the provisions contained in Article 33.16(a).

(d) Employer Decision to Proceed with Commercialization – If the Employer notifies the Employee that it wishes to proceed with Commercialization, the Employee shall assign the Intellectual Property to the Employer within thirty (30) days. The Employer shall then become the Sole owner of all rights to the Intellectual Property and shall assume the responsibility for Intellectual Property Commercialization without cost to the Employee. The Employee and the Employer shall then prepare a mutually acceptable commercialization plan outlining the options to be considered for the development of the Intellectual Property. The plan shall include items such as the need for additional evaluation or research, the need for Intellectual Property protection, target market(s), identification of licensees, etc. The plan shall also outline the responsibilities of the Employer and the Employee.
Protection of Intellectual Property – The Employer may seek statutory protection of the Intellectual Property as appropriate. The Employer may choose not to seek protection, or may cease protection for Intellectual Property that in the Employer’s judgment does not have significant commercial potential.

Commercialization Report – The Employer shall remit to the Employee(s) not later than 30 June each year a Commercialization Report outlining all actions taken with respect to Commercialization during the previous fiscal year, and a statement reporting all expenditures and income forming the calculation of Net Income for the previous fiscal year.

Decision to Cease Commercial Activities – If at any time the Employer determines that it does not wish to continue with Commercialization activities or if there has been no significant commercialization activity for a period of twelve (12) months, the Employer shall re-assign the Intellectual Property to the Employee, including any issued or pending registration for statutory protection. The Employee is then free to make Commercialization arrangements, independent of the Employer at her/his own expense, subject to the provisions contained in Article 33.16 (a).

33.16 Revenues from Commercialization of Intellectual Property

(a) Commercialization by the Employee – Where the Employee is responsible for Commercialization, the Employee agrees to remit to the Employer a sum equal to 25% of the Net Income resulting from Commercialization activities in excess of the first $10,000 which shall accrue to the Employee. Employees agree to submit a report containing an outline of Commercialization activities and a statement of all expenses and gross income for the previous fiscal year by 30 June.

(b) Commercialization by the Employer – Where the Employer is responsible for Commercialization, the Employer agrees to remit to the Employee a sum equal to 50% of the Net Income resulting from Commercialization activities in excess of the first $10,000 which shall accrue to the Employee.

(c) Variation – While Articles 33.16(a) and 33.16(b) describe the normal provisions for revenue sharing between the Employee and the Employer, the Employer and the Employee may if both so wish enter into an agreement in which Intellectual Property ownership, responsibility for Commercialization and Net Income apportionment is dealt with in a different manner from that provided for above.

(d) Non-Arms Length Disposition of Intellectual Property

Where the Employer or Employee(s) receives consideration from the Commercialization of Intellectual Property from a non-arms-length party, the Employer or Employee shall be deemed to have received the greater of:

(i) The value of the consideration paid; or
(ii) The fair market value that would have been received from the Commercialization from an arms-length third party. This value shall be established by agreement between the Employer and the Employee.

(e) Equity Investments – In the event that any return on Commercialization is in the form of an equity investment, the foregoing percentages in Articles 33.16(a) and 33.16(b) shall be considered in determining an equitable sharing of monies arising from such equity between the Employer and the Employee.

(f) Multiple Inventors – When several Employees collaborate on the development of Intellectual Property, the Employees shall provide the Dean (Research & Graduate Studies) and the Vice-President (Academic) with an agreement that is signed by all collaborators and which identifies all collaborators, their relative contributions, and the distribution of each collaborator’s share of the Net Income. If the Employer undertakes Commercialization activities, the Employer shall be responsible for apportioning the Net Income referred to in Article 33.16(b).

33.17 Net Income Distribution by Employer

The Employer’s share of Net Income pursuant to Article 33.16 shall be distributed as follows:

(i) 50% to a fund for the enhancement of Acadia University academic and research programs to be administered by the Vice-President (Academic);
(ii) 25% to the Faculty, Academic Unit or other unit with which the Employee(s) creating the Intellectual Property was associated at the time the work giving raise to the Intellectual Property was carried out;

(iii) 25% to the Acadia University General Revenue Fund.

33.20 Use of Name and Trademarks of the University

Employees shall consult the Dean (Research & Graduate Studies) for approval of any use of the University name, trademarks, service marks and insignia in any commercial arrangement.

33.21 Estates

When an Employee(s) or former Employee dies, his/her estate shall retain all his/her rights and responsibilities under this Article of the Collective Agreement, unless the estate chooses to renounce its rights and transfers the rights and responsibilities in writing to the Employer or to another party.

33.22 Intellectual Property of Students

The Employer and Employees commit to respect the Intellectual Property rights of students who participate in research activities. Employees should discuss Intellectual Property issues with their student collaborators, and when necessary, have students sign student participation agreements before entering into research projects.

33.25 Committee on Intellectual Property

The Parties agree to create a continuing Committee on Intellectual Property, which shall be composed of two members appointed by the Employer and two members appointed by the Association with the chair alternating between the Employer’s representatives and the Association’s representatives at each successive meeting.

(a) Either party shall present the dispute in writing to the Vice-President (Academic).

(b) Within two weeks of the receipt of the dispute, the Vice-President (Academic) shall first send written notification of the dispute to the President of the Association and shall then establish a Dispute Resolution Committee.

(c) This Committee shall consist of three members: one chosen by the Employee, one chosen by the Employer and a third to be agreed upon by the parties to the dispute. All three shall be chosen from among Faculty Members within the University who shall be at arm’s length from the parties involved in the dispute. The member jointly chosen shall act as Chair to the Committee.

(d) The Dispute Resolution Committee shall meet within two weeks following appointment to hear the dispute. The parties to the dispute shall provide the Committee with any documentation required as background and the Committee may consult with experts if needed. Within one week of hearing the
dispute, the Committee shall make a decision by simple majority and shall communicate its decision in writing to the Vice-President (Academic).

   (a) probationary
   (b) continuing
   (c) contractually limited term
   (d) half-time
   (e) part-time

Probationary, continuing, and CLT appointments may be made on a half-time basis. The duties of a half-time Instructor shall be one-half of the responsibilities of a full-time Instructor.

Instructors shall initially receive a probationary appointment for two (2) academic years.

(a) Instructors converting to a probationary appointment from an Instructor CLT or part-time Instructor appointment with a minimum of two (2) academic years of experience at Acadia shall receive a probationary appointment for one (1) academic year.

(b) Employees who are converting to a probationary appointment who have held a position with similar duties as the Instructor position shall have their time served in that position taken into consideration when determining the appropriate probationary term, which shall not exceed two (2) years.

43.23 Continuing Appointments

A continuing appointment means permanency of employment subject to the convention of the Collective Agreement.
43.24 Contractually Limited Term

(a) A contractually limited term appointment may be made for varying periods of time in order to replace an Employee on leave or for other special circumstances.

(b) A CLT Instructor position that does not replace an Instructor on Leave under Article 43.90 and has been filled under Article 43.21 (c) for five (5) consecutive years, shall be continued as a probationary appointment.

If the person holding the CLT position to be continued has held that position for at least two (2) years, they shall be offered a probationary appointment for one (1) year during which time they shall be reviewed for a continuing appointment following the procedures in Article 43.60. If they decline the probationary appointment, then the procedures in Article 43.30 shall apply.

43.30 Procedures for Appointment

43.31 Temporary Appointments

In certain circumstances not otherwise provided for by this Agreement such as sickness, death, or late resignation, the Board may act through its academic administrative appointees to fill vacancies in the Academic Unit complement. Appointments so made shall be for a limited period not exceeding twelve (12) months, and the appointment procedures laid down in this Agreement shall be followed to the extent that is possible under the circumstances. All efforts shall be made to avoid delays in the process of hiring.

When an Instructor is, for medical reasons, suddenly unable to fulfill her/his obligations, the following guidelines shall be used in making arrangements to cover the courses affected by the Instructor's absence:

(a) If the anticipated absence is for a period of less than two (2) weeks, it is assumed that other members of the Academic Unit will, whenever possible, assist in the supervision and instruction of the classes and/or laboratories concerned.

(b) If the anticipated absence is for a period of more than two (2) weeks, steps shall be taken to secure part-time assistance. Where such part-time assistance is not available, other members of the Academic Unit may assume responsibility for the courses and shall be remunerated for their services on a pro rata basis in accordance with the basic part-time credit course stipend.

43.32 Faculty members who have tenure or tenure-track appointments, probationary or continuing appointments, and faculty members who have completed two (2) consecutive years' service in a CLT position may participate in any appointment procedure. Employees on leave pursuant to Article 24 who have rights to vote as specified in this Article may exercise these rights during the leave. They shall be notified of such rights by the Head sending an e-mail to the Employees' e-mail address and must respond and exercise such rights no later than three (3) working days after the e-mail is sent.

Where conflict of interest exists, the faculty member having such conflict shall withdraw completely from the appointment procedure.
Authority to Recruit

(a) Recruitment of Employees requires the authorization of the President or Vice-President (Academic). Failed searches for authorized positions do not require reauthorization.

(b) Authorizations to recruit CLT Employees for the following academic year shall normally be given to Academic Unit Heads and Directors no later than 15 January.

Advertising

(a) Positions shall be advertised on the advice of the Selection Committee and the Dean(s) through the office of the Vice-President (Academic) in appropriate electronic media, academic and professional journals, including Canadian publications relevant to the particular discipline as established by the Selection Committee once the authority to fill the position has been granted. However, it is understood that advertising may be on a more local level than advertisements under Article 10.52 (a). The Selection Committee is encouraged to consult with the Employment Equity Committee to identify venues for advertising intended to reach prospective candidates from designated groups. The advertisement shall designate rank, but not "step" (e.g., entry level Instructor I).

No search is required in the case of a position being filled under the auspices of Article 43.24 (b).

(b) All Advertisements shall include the following statement: “The University invites applications from all qualified individuals. Acadia University is committed to employment equity and diversity in the workplace and welcomes applications from Aboriginal people, African Nova Scotians, persons with disabilities, visible minorities, women, and persons of any minority sexual orientation or gender identity.” All applicants shall be invited to submit a voluntary online self-identification form (Article 3.61 (c)(i)). These forms shall be processed by Human Resources. Information provided on these forms may only be used for employment equity purposes. Only candidates who have submitted a self-identification form can be considered as members of designated groups as described in Article 3.20.

(c) Applications shall be directed to the Chair of the appropriate Selection Committee.

(d) All probationary positions shall be advertised.

(e) All CLT positions to be filled by a full-time Employee shall be advertised, except:

No advertisement is necessary where an Academic Unit wishes to retain for further contractually limited appointment the services of an Instructor whose contractual limited appointment is about to expire, if two thirds of the eligible members of the Academic Unit as defined in Article 43.32 are in favour of retaining the Instructor, provided that an authorized vacancy still exists. The Head shall make available to the Academic Unit the Instructor's current CV, and shall invite the Instructor to add any other information the Instructor deems relevant. The vote shall be by secret ballot, either in person or through electronic means.

Procedures within the Academic Unit

(a) Each Academic Unit shall have a Selection Committee elected by the Academic Unit from within the Academic Unit, or where this is not possible, from cognate Academic Units as determined by the members of the Academic Unit in which the vacant position exists. For the purposes of this Article, when a member of a cognate Academic Unit is required for the Selection Committee, the decision of the Selection Committee goes directly to the Dean without being considered by the Academic Unit under 43.35 (d). The Head of the Academic Unit shall normally be the Chair of the Selection Committee which shall consist of at least three (3) persons.

In the case of interdisciplinary appointments, the Selection Committee shall consist of at least five (5) members: the Head of the home Academic Unit, who shall normally be Chair; two eligible members elected by the home Academic Unit from within the home Academic Unit, or where this is not possible, from a cognate Academic Unit as determined by the members of the home Academic Unit; and two eligible members elected by the other Academic Unit(s) from within the Academic Unit(s), or where this is
not possible, from cognate Academic Units as determined by the members of the Academic Unit(s). In the case where an Interdisciplinary Program is one of the Academic Units, the Program Coordinator shall be one of the two members from that Academic Unit on the Selection Committee, with the other elected by the members of that Academic Unit as defined in Article 1.20.3.

Faculty Members who have a CLT position shall have input into hiring procedures where possible. Students shall have input into hiring procedures where possible.

A quorum shall be fifty percent (50%) plus one (1) of the faculty members on the Selection Committee.

The Chair of the Selection Committee shall verify that faculty members elected to serve on the Selection Committee have completed the Employment Equity Workshop described in Article 3.66 (a) within the last three (3) academic years. Faculty members whose equity training has expired shall not be eligible to serve on Selection Committees.

(b) The Selection Committee shall approve by majority vote the draft advertisement for the authorized position. With reference to the factors in Articles 43.41 and 43.42, the Selection Committee shall establish a short list of candidates. Candidates who are demonstrably better qualified for the position as described in the advertisement and according to Articles 43.41 and 43.42 shall be shortlisted. In keeping with the principles of employment equity, when two or more candidates are similarly qualified for the position as described in the advertisement and according to Articles 43.41 and 43.42, the Chair shall send Human Resources a list of these candidates, and Human Resources shall assign a numerical rank to the candidates following the procedure in Article 3.56 (e). Human Resources shall not disclose any information that identifies to which designated group a candidate belongs. The Selection Committee shall use the ranked list to fill any remaining spaces on the shortlist. If Human Resources cannot establish a ranking, then the Selection Committee shall shortlist the candidate(s) who is best qualified for the position as described in the advertisement and according to Articles 43.41 and 43.42.

The short list shall be made available to members of the Academic Unit(s). Members of the Academic Unit(s) who wish to comment on the short list drawn up by the Committee shall have two (2) working days from the time of the distribution of the list to make their views known to the Committee. The Committee shall then finalize the short list which shall be redistributed to the members of the Academic Unit(s) and copies thereof provided to the Dean(s), Vice-President (Academic) and President.

(c) The Chair shall arrange for interviews of a minimum of two (2) and no more than three (3) candidates in the first instance, unless only one (1) qualified candidate has been found; further candidates may be interviewed on the approval of the Vice-President (Academic). All candidates selected for an interview shall be asked whether they require accommodation to ensure equal access to the interview process. No reasonable request for accommodation shall be denied. Interviews shall be conducted by the Selection Committee. Each candidate shall meet the Dean(s) or her/his delegate, either the President or the Vice-President (Academic), and a representative of the Association designated by the Association Executive. Whenever possible, all members of the Academic Unit(s) shall have an opportunity to meet with the candidates, each of whom shall, whenever possible, deliver a lecture or participate in a seminar involving students.

In the case of appointments of one (1) year or less, on-site interviews, or travel by Employees for the purpose of interviewing, shall be authorized only with the approval of the Vice-President (Academic) upon recommendation of the Selection Committee.

In cases where on-site interviews for a CLT appointment of less than 12 months have not been authorized by the Vice-President (Academic), or in cases where a local candidate is available for an on-site interview and a non-local candidate is not, all interviews shall be conducted in the same manner (video or voice-only).

The short-listed candidates shall receive a copy of the Collective Agreement from the President or Vice-President Academic during their visit.
Following the interview process, the Selection Committee shall rank the acceptable candidate(s) based on the advertisement and according to Articles 43.41 and 43.42. When two (2) or more candidates are similarly qualified, they shall be given the same rank. The Selection Committee shall recommend the ranked list to the Academic Unit, with a rationale based on the advertisement and according to Articles 43.41 and 43.42.

The Academic Unit(s) shall conduct a majority vote by secret ballot on the recommendation of the Selection Committee. The Academic Unit(s) shall only reject the recommendation if members of the Academic Unit(s) determine that the recommendation is fundamentally flawed based on a failure to follow the processes in Article 43.35, or to consider the terms of the advertisement, or to apply Articles 43.41 and 43.42.

If the recommended ranking of the Selection Committee is rejected, the eligible members of the Academic Unit(s) as defined in Articles 43.32 shall constitute themselves as the Selection Committee and re-rank the acceptable candidates with rationale based on the advertisement and according to Articles 43.41 and 43.42. The quorum requirements for this Selection Committee shall be fifty per cent (50%) plus one (1) of the faculty members on the committee.

Following majority approval of the ranking by the Academic Unit(s), if only one (1) candidate has been ranked first, the procedures of Article 43.35 (d) (iv) shall apply. If more than one (1) candidate has been ranked first, the procedures of Article 43.35 (d) (ii) shall apply.

In keeping with the principle of employment equity in Article 3.20, whenever two (2) or more candidates have been assigned the same ranking by the Selection Committee in accordance with Article 43.35 (d) (i), the Chair shall send Human Resources the list of these candidates, and Human Resources shall assign them a numerical rank following the procedure in Article 3.56 (e). Human Resources shall not disclose any information that identifies to which designated group a candidate belongs.

If Human Resources cannot establish a ranking, then the Academic Unit(s) shall determine which candidate is best qualified for the position as described in the advertisement and according to Articles 43.41 and 43.42.

Wherever possible, the Selection Committee shall ensure that the offer is made to a suitable candidate who is a Canadian citizen or landed immigrant. If a suitable candidate cannot be found in the above category, the search may be widened and an offer made to a non-Canadian.

The recommendation of the Selection Committee shall be sent in a letter to the Dean in confidence with a copy to the President of the Association. This letter shall include: where and when the position was advertised, a copy of the candidate search advertisement, a list of the selection committee members, dates of selection committee meetings, candidate interview date(s), and the Recommendation to Hire form (Appendix J). For appointments that are designated as replacement positions, the letter shall indicate who is being replaced. The Association shall scrutinize all recommendations of appointments to ensure that they have been made in conformity with the terms of the Collective Agreement.

The Dean(s) shall comment in a letter on the recommendations of the Selection Committee before sending them on to the Vice-President (Academic), who in turn shall comment on the recommendations in a letter and shall forward these and any comments to the President of Acadia University.
43.37 The President or Vice-President (Academic) or the Dean(s) may request the Academic Unit(s) to reconsider the proposed appointment, giving reasons for the request based on the criteria of Articles 43.41 and 43.42, and the procedures of Article 43.35. Following this reconsideration, in instances where it is requested, the recommendation(s) of the Committee shall be forwarded to the officer requesting the reconsideration for action. This correspondence shall be copied to the President of the Association.

43.38 A Presidential letter of recommendation to the Board to reject the recommendation from a Academic Unit shall be only on the basis of academic criteria of Article 43.41, and the procedures of Article 43.35. This letter shall be copied to the President of the Association.

43.39 Notification of Acceptance

The Employer shall forward a copy of the letter of acceptance of a job offer to the Association within five (5) working days of receipt.

43.40 Criteria for Appointment

43.41 The factors to be considered in assessing applicants for appointment to the University shall be as follows:

(a) verifiable academic qualifications, i.e., earned degrees, diplomas, and the like, or equivalent education and work experience;

(b) performance and potential in teaching activities. Both qualitative and quantitative aspects shall be considered. These shall include, but are not limited to, such factors as the number of years in the present rank, evaluation of past teaching performance and ability and potential to participate in and contribute to the academic programs of the Academic Unit(s);

(c) previous contribution to an Academic Unit, faculty, or university, including course and program development;

(d) contributions to the candidate’s discipline or profession, including but not limited to service or activities in professional organizations, service programs, and the like.

43.42 All the above factors shall be considered, in the priority order stated, except in the case of appointments where the advertised terms of appointment differ from the activities of most faculty. In such exceptional cases, the Selection Committee shall publish the criteria to be used for evaluation, and their relative emphasis in the job advertisement, and shall review the criteria and emphasis prior to reading the letters of application for each vacancy.

43.43 Each individual to whom an offer is made shall receive a copy of this Agreement prior to the letter of appointment being sent. The letter shall state that the appointment is subject to the terms and conditions of this Agreement.

43.44 One copy of the letter of appointment shall be sent to each of the Head of the Academic Unit, the Dean of the Faculty, the Vice-President (Academic) the Associate Vice-President (Finance) and Treasurer, Human Resources, the President of the Association, and the Chairs of the University Appointments Committee, as described in Article 39.

43.45 Adherence to Procedures

No candidate shall be appointed without adherence to the above procedures.

43.46 The University Appointments Committee, as defined in Article 39, shall monitor and report on practices under Articles 43.24, 43.54, and 43.58 (f).
43.50 Ranks and Grid Placement at Appointment

43.51 Instructor I shall include Instructors who hold a Master's degree or equivalent education and work experience and less than four (4) years of experience.

43.52 Instructor II shall include Instructors who hold a Master's degree or equivalent education and work experience and have four (4) or more years of satisfactory work experience in a position with similar duties.

43.54 Initial Grid Step Placement

(a) Initial placement on the grid will be determined based on the following formula:

Individuals with Master's degree only shall be placed at Step 1.

Additional increments based on each full year (or equivalent) of experience shall be credited according to the following formula:

\[
\text{number of years of full-time university-level teaching or equivalent (no more than one year of credit can be accumulated in a single year)} + \frac{\text{number of years of experience relevant to the position}}{2}
\]

*relevant experience shall include full-time parenting

(b) Instructor II

Individuals with Master's degree only shall be placed Step 1.

Additional increments shall be credited according to the following formula:

\[
+ \text{number of years of experience relevant to the position above four (4)}
\]

(c) In exceptional circumstances, should the Academic Unit deem it necessary to place the appointee at a grid step higher than the one derived using the formula, a written rationale shall be provided to the Vice-President (Academic) for such deviations, copied to the President of the Association. The Vice-President (Academic) shall consider this rationale in rendering the decision on grid placement. Should negotiations of grid step placement be required, the Vice-President (Academic) shall be the only person with authority to negotiate with the candidate. The Vice-President (Academic) shall provide a written rationale for deviating from the above formula, copied to the President of the Association.

(d) No new appointees shall be placed lower on the grid than the formula stipulates.

(e) The Vice-President (Academic) shall provide the data used to determine initial grid step placement to the Association.

43.58 Mode of Appointments

The President shall provide to each new or reappointed Instructor a letter of appointment which shall include the following:

(a) the effective date of appointment;

(d) the rank and salary of the Instructor as of the effective date of the appointment;

(e) the Academic Unit to which the Instructor shall be attached;

appointments normally begin on 1 July, but they may become effective on other dates; if so, Instructors shall enjoy all appropriate benefits from the date of appointment. When an appointment begins after 1 July but before or including 31 December, seniority towards award of continuing appointment, promotion, and sabbatical leave shall be retroactive to 1 July preceding employment. When an appointment begins between 1 January and 30 June, then seniority towards continuing appointment, promotion, and sabbatical leave shall begin the following 1 July;

a statement indicating if the Instructor has the appropriate academic qualifications or equivalent education and work experience as outlined in 43.51 and 43.52 or whether further qualifications must be obtained and indicating the year by which he/she should apply for continuing appointment;

an Employee who has been granted a leave in accordance with Article 24.40, 24.60 or 24.61 shall be granted an extension equal to the duration of the leave to any deadline specified in the letter of appointment.

43.60 Review for Continuing Appointment

43.61 (a) An Instructor on a probationary appointment shall be reviewed by his/her Academic Unit by 31 October of the final year of the appointment. Instructors who have been placed on maternity leave, sick leave for a period of at least twenty-five (25) consecutive weeks, or family leave for a period of at least twenty-five (25) consecutive weeks according to the appropriate procedures in Article 24 during his/her probationary appointment shall be granted a twelve (12) month extension. The extension must be requested by 15 July of the final year of appointment (Article 12.02).

(b) The review for a continuing appointment shall be carried out by a committee made up of the Dean, as non-voting chair of the committee, the Head, and two (2) Academic Unit members who interact professionally with the Instructor. These Academic Unit members shall be elected by eligible members of the Academic Unit (as defined in 12.10 (c), and shall have equity training (as described in 12.01 (b)).

In cases where the candidate holds an Interdisciplinary Appointment, the Committee shall be composed of a Dean, the Head(s) of the home Academic Unit(s), the Head(s) or Interdisciplinary Program Coordinator(s) of the other Academic Unit(s) and one member from each Academic Unit who interact professionally with the Instructor.

43.62 (a) The candidate shall submit an application providing evidence in support of continuing appointment, relating to their normal academic responsibilities as required in Article 17.01, 17.02 C, 17.03 C, 17.04, and 17.05. A list of activities which might be used for this purpose is included in Article 43 Appendix I. The review committee will invite all Academic Unit members to submit written comments on the performance of the candidate but individuals with whom the Instructor carries out duties shall provide their written comments as part of the review process. All comments received shall be noted in the record of the review.

(b) Once members of the Academic Unit have been consulted, the Committee shall meet to review the application. At least three (3) working days before this meeting, the Committee shall make available to the candidate any materials in the candidate's application that were not submitted by the candidate. During this meeting, the candidate shall be invited to discuss the content of the application. It is the candidate's choice to be present for this purpose. The presence or absence of the candidate shall not be used as evidence against the candidate's application. If present, the candidate shall withdraw at the completion of these discussions and the Committee shall consider its recommendation in camera. The candidate may choose to be accompanied to the meeting by an Employee who may advocate for the candidate.

(c) If members of the Committee have concerns over any aspect of the application, the candidate shall be given an opportunity to respond to those concerns. In the event that the candidate fails to respond, the Committee may freely debate the issue(s) of concern.
(d) The Committee shall decide by simple majority its recommendation for continuing appointment based on the profile and responsibilities outlined in Articles 17.01 through 17.05. The Dean shall notify the Vice-President (Academic) in writing of the results of the review. The Vice-President (Academic) may request through the Dean that the committee reconsider its recommendation if the Committee, in his/her opinion, has not adequately adhered to criteria and processes set out in this article. If the Vice-President (Academic) does not request such reconsideration, or after such reconsideration has taken place, he/she shall transmit the decision to the President, who shall send the decision to the candidate by registered letter. The President shall transmit a recommendation in favour of an Instructor to the Board.

(e) If a continuing appointment is denied for any reason, the Instructor may appeal to the UAC (as in Articles 12.50 and 12.60). If the candidate wishes to appeal the decision of the Committee, then within ten (10) working days of receipt of the registered letter, a notice of appeal must be sent to the Chairperson of the UAC with copies to the Dean and the Academic Unit Head.

(f) The procedures of Article 12.60 shall apply with the DRC and URC committees being replaced by the Committee described in Article 43.61(b) with continuing appointment replacing all references to tenure.

43.70 Criteria for Promotion

There shall be two (2) Instructor ranks: Instructor I and Instructor II. An Instructor is eligible for consideration for promotion at any time, the essential element in any promotion being the demonstration of a record of achievement. Time of service in a particular rank shall not be used to deny promotion to a higher rank.

A candidate's record of achievement includes teaching and service at other institutions, either prior to employment at Acadia or in parallel.

43.71 The factors to be considered in assessing performance of an Instructor for promotion to ranks above Instructor I shall be:

(a) academic or professional qualifications and experience;
(b) performance as an Instructor;
(c) contributions to academic programs;
(d) service.

All of these criteria must be present in an application for promotion although they need not be present to the same degree. It is the overall assessment of the candidate, according to the above noted criteria, which must guide the Committee's evaluation.

Notwithstanding the above, candidates may elect to include scholarship in their records of achievement, including scholarship at other institutions, either prior to employment at Acadia or in parallel; if included, scholarship shall be taken into consideration.

(a) Academic or Professional Qualifications and Experience

The normal criterion shall include an earned Masters at the rank of Instructor I or higher. Equivalent qualifications or experience may be substituted, such as professional qualifications in relevant fields, or where the candidate has accumulated experience judged to be particularly relevant and valuable to a discipline.

(b) Performance as an Instructor

Performance as an Instructor shall be evaluated in relation to the duties of Instructor as outlined in Article 17.02 C and in relation to the Annual Career Development Meetings and supplemented by other materials provided under Article 12.03.

43.72 The Parties recognize that the nature of Instructor responsibilities and service contributions may vary from Academic Unit to Academic Unit. As a consequence, the evidence used to demonstrate levels of performance will also vary. Further, the Parties recognize that performance as a teacher cannot be evaluated solely on the basis of student surveys but must consider the full range of activities in Appendix I (a). To assist Instructors with the
preparation of their application and professional résumé, lists of activities that might be used to demonstrate the required level of competence have been appended as Appendix I. The list of activities is neither inclusive nor exclusive.

43.80 Qualifications for Promotion

43.81 Instructor II

The qualifications for promotion to Instructor II shall be possession of an earned Masters or its equivalent as specified in Article 43.71(a) and a record of accomplishment:

(a) evidence of a positive record as an Instructor;
(b) evidence of continuing contribution to the development of academic programs;
(c) evidence of service to the University and academic community, the discipline, and/or the community;
(d) the records of the annual Career Development Meetings and other materials provided under Article 12.03 shall be a primary source of information in assessing (a)-(b) above.
(e) additional qualifications such as a Ph.D. or other professional certification or degrees may be offered at the Employee’s option; if offered they shall be taken into consideration. The absence of such additional qualifications shall not be interpreted in a negative fashion.
(f) additional evidence of relevant scholarly or professional activity may be offered by the Employee; if offered, it shall be taken into consideration. The absence of such additional qualifications shall not be interpreted in a negative fashion.

43.90 Instructor Sabbatical Leave

43.91 Instructor Sabbatical Leave is the earned right of any Instructor who is granted leave by the Sabbatical Leave Committee.

43.92 Instructor Sabbatical Leave is intended to provide the opportunity for an Instructor to maintain currency in his/her field of expertise or area of academic responsibility.

43.93 Those Employees who are eligible are Instructors with a continuing appointment who are in their sixth or subsequent year of consecutive service as an Employee.

43.94 In determination of years of service at Acadia, interrupted service may be totalled if such provision is included in the most recent letter of appointment. Years of service at a different rank or in a different type of position (e.g. Lecturer or Assistant Professor) shall be counted towards an Instructor’s eligibility for Sabbatical Leave.

43.95 Earned periods of leave shall be a six- (6) month leave for each six (6) full years of service. Instructors whose positions are for less than twelve (12) months shall have this leave period pro-rated to the terms of their employment contracts.

43.96 Instructor leaves must be taken either between 1 July and 31 December or 1 January and 30 June of the academic year in which the leave is granted. Instructors who are eligible for a six-(6) month leave on 1 July of an academic year, but opt to take their leave from 1 January to 30 June of that year, shall be given six (6) months of credit toward a subsequent Instructor Sabbatical Leave.

43.97 Instructors with six (6) or more years’ eligibility whose applications have been approved and who have been asked by their Academic Unit to delay for one (1) year shall be granted leave the next year and shall receive one (1) year of credit toward a subsequent Instructor Sabbatical Leave.

43.98 An Instructor on Instructor Sabbatical Leave shall receive 100% of salary for the first sabbatical leave, and 80% of salary for each subsequent sabbatical leave.
The Instructor shall receive full benefits including but not limited to full group insurance and pension for the period of the leave. The Instructor shall continue to earn seniority rights and shall move normally on the grid in accordance with Article 21.00.

The difference between an Employee’s salary and her/his Instructor sabbatical salary shall be used to fund replacements for Instructors on Instructor sabbatical leave.

Procedures for Applying for Instructor Sabbatical Leave shall be in accordance with Article 24.12 -24.24

(a) The Employee shall submit an Instructor Sabbatical Leave project which satisfies the Academic Unit and the Sabbatical Leave Committee.

(b) For the Instructor, the proposal (24.13 (c)) shall indicate how it shall impact on the factors outlined in Articles 17.02 C, 17.03 C, and 17.04.

(c) In cases where the Sabbatical Leave Committee is reviewing an application for Instructor Sabbatical Leave one of the members in 24.14 (c) shall be replaced by an appropriately elected Instructor.

(d) Eligible Employees may opt to defer their application for Instructor Sabbatical Leave to the following year and shall be given one (1) year of credit toward a subsequent leave. The President shall provide a new appointment letter reflecting the half-time status.

50.12 The duties of a half-time Librarian or Archivist who is employed on a twelve- (12) month basis shall be one-half of the responsibilities and standard workload of full-time Librarians or Archivists as indicated in Article 17.01.
Duties may be spread over the twelve- (12) month period, or may be condensed, depending upon the agreement reached by the Librarian or Archivist, the Research Services Head and the University Librarian.

50.13 The half-time Librarian or Archivist shall retain her/his status, rank and seniority. All half-time Librarians and Archivists shall participate, when they become eligible, in all pension and group insurance benefits.

50.15 All Articles of this Collective Agreement, subject to the restrictions specified in Article 45, shall apply to all half-time Librarians and Archivists.

50.31 In cases where a Librarian or Archivist resigns from a continuing or probationary position and insufficient time is available to follow normal appointment procedures, a CLT appointment may be made. Every effort shall be made to avoid delays in the hiring procedures.

50.32 Where a Librarian or Archivist is granted half-time status, and where a replacement for the reduction to the Library or Archives is authorized on the recommendation of the Librarians and Archivists, the University Librarian and the Vice-President (Academic), the level of replacement shall be CLT, and for all or part of the period during which the half-time arrangement is in place.

50.45 Temporary Appointments

In certain circumstances not otherwise provided for by this Agreement such as sickness, death, or late resignation, the Board may act through its academic administrative appointees to fill vacancies. Appointments so made shall be for a limited period not exceeding twelve months and the appointment procedures laid down in this Agreement shall be followed to the extent that is possible under the circumstances. All efforts shall be made to avoid delays in the process of hiring.

When a Librarian or Archivist is, for medical reasons, suddenly unable to fulfill her/his professional obligations, the following guidelines shall be used in making arrangements to cover the services affected by the Librarian's or Archivist's absence;

(a) If the anticipated absence is for a period of less than two (2) weeks, it is assumed that other members of the Research Services Sector shall, whenever possible, assist in the supervision and delivery of services concerned.

(b) If the anticipated absence is for a period of more than two (2) weeks, steps shall be taken to secure temporary assistance. Where such assistance is not available, other members of the Sector may assume responsibility for the supervision and delivery of services concerned and shall be remunerated for their services on a pro rata basis in accordance with the basic part-time credit stipend.

50.50 Procedures for Appointment

Librarians or Archivists who have continuing or probationary appointments or who have completed two consecutive years in a CLT position may participate in any appointment procedure. Employees on leave pursuant to Article 24 who have rights to vote as specified in this Article may exercise these rights during the leave. They shall be notified of such rights by the Head sending an e-mail to the Employees' e-mail address and must respond and exercise such rights no later than three (3) working days after the e-mail is sent.

Where conflict of interest exists, the Librarian or Archivist having such a conflict shall withdraw completely from the appointment procedure.

50.51 Authority to Recruit

(a) Recruitment of Librarians and Archivists requires the authorization of the President or the Vice-President (Academic). Failed searches for authorized positions do not require reauthorization.

(b) Authorizations to recruit CLT Employees for the following academic year shall normally be given to the Research Services Head no later than 15 January.
Advertising

(a) Positions shall be advertised on the advice of the Library Selection Committee through the office of the Vice-President (Academic) in appropriate electronic media, academic and professional journals, including Canadian publications relevant to the library or archival profession as established by the Library Selection Committee, once the authority to fill the position has been granted. The Library Selection Committee is encouraged to consult with the Employment Equity Committee to identify venues for advertising intended to reach prospective candidates from designated groups.

The advertisement shall designate rank, but not "step" (e.g., Librarian I or II).

No search is required in the case of a position being filled under the auspices of Article 50.09.

(b) All advertisements shall include the following statement: The University invites applications from all qualified individuals. Acadia University is committed to employment equity and diversity in the workplace and welcomes applications from Aboriginal peoples, African Nova Scotians, persons with disabilities, visible minorities, women, and persons of any minority sexual orientation or gender identity." All applicants shall be invited to submit a voluntary on-line self-identification form (Article 3.61(a)). These forms shall be processed by Human Resources. Information provided on these forms may only be used for employment equity purposes. Only candidates who have submitted a self-identification form can be considered as members of designated groups as described in Article 3.20.

(c) Applications shall be directed to the Chair of the Library Selection Committee.

(d) All Librarian and Archivist positions to be filled by an Employee shall be advertised.

(e) All CLT positions to be filled by a full-time Employee shall be advertised, except:

No advertisement is necessary where the Sector wishes to retain for further contractually limited appointment the services of an Employee whose contractually limited appointment is about to expire, if two thirds of the members of the Sector are in favour of retaining the Employee, provided that an authorized vacancy still exists. The Head shall make available to the Academic Unit the Librarian or Archivist's current CV, and shall invite the Librarian or Archivist to add any other information the Librarian or Archivist deems relevant. The vote shall be by secret ballot, either in person or through electronic means.

(f) All other positions shall be advertised in electronic media as deemed appropriate by the Research Services Head in consultation with the University Librarian in accordance with the procedures of Article(s) 50.40 and 50.45.

(i) the Research Services Head, who shall be Chair;
(ii) the University Librarian;

(iv) a Dean or Professor chosen by the Vice-President (Academic).

The Chair of the Selection Committee shall verify that faculty members elected to serve on the Selection Committee have completed the Employment Equity Workshop described in Article 3.66(a). Faculty members whose equity training has expired shall not be eligible to serve on Selection Committees.

(b) The Selection Committee shall approve by majority vote the draft advertisement for the authorized position. With reference to the factors in Article 50.61 and 50.62, the Selection Committee shall establish a short list of candidates which shall be made available to the Librarians and Archivists. Candidates who are demonstrably better qualified for the position as described in the advertisement and according to Article 50.61 and 50.62 shall be shortlisted. In keeping with the principles of employment equity, when two or
more candidates are similarly qualified for the position as described in the advertisement and according to Article 50.61 and 50.62, the Chair shall send Human Resources a list of these candidates, and Human Resources shall assign a numerical rank to the candidates following the procedures in Article 3.56(d).

Human Resources shall not disclose any information that identifies to which designated group a candidate belongs. The Selection Committee shall use the ranked list to fill any remaining spaces on the shortlist. If Human Resources cannot establish a ranking, then the Selection committee shall shortlist the candidate(s) who is best qualified for the position as described in the advertisement and according to Articles 50.61 and 50.62. The short list shall be made available to Librarians and Archivists. Librarians and Archivists who wish to comment on the short list drawn up by the Committee shall have two (2) working days from the time of the distribution of the list to make their views known to the Committee. The Committee shall then finalize the short list which shall be redistributed to the Librarians and Archivists and copies thereof provided to the Vice-President (Academic) and the President.

(c) The Chair shall arrange for interviews of a minimum of two (2) and no more than three candidates in the first instance, unless only one (1) qualified candidate has been found; further candidates may be interviewed on the approval of the Vice-President (Academic). All candidates selected for an interview shall be asked whether they require accommodation to ensure equal access to the interview process. No reasonable request for accommodation shall be denied. Interviews shall be conducted by the Library Selection Committee. Each candidate shall meet the Vice-President (Academic), and a representative of the Association designated by the Association Executive. Whenever possible, Librarians and Archivists shall have an opportunity to meet with the candidates, each of whom shall, whenever possible, deliver a presentation.

In the case of CLT appointments of twelve (12) months or less or part-time appointments, on-site interviews, or travel by committee members for the purpose of interviewing, shall be authorized only with the approval of the Vice-President (Academic) upon recommendation of the Library Selection Committee.

In cases where on-site interviews for a CLT appointment of less than twelve (12) months have not been authorized by the Vice-President (Academic), or in cases where a local candidate is available for an on-site interview and a non-local candidate is not, all interviews shall be conducted in the same manner (video or voice only).

The short-listed candidates shall receive a copy of the Collective Agreement from the Vice-President (Academic) during their visit.

(d) (i) All Librarians and Archivists shall be invited to submit individual written comments to the Library Selection Committee. Following the interview process, and after full consideration of the written comments of Librarians and Archivists, and comment by Library and Archives staff, the Library Selection Committee shall rank the acceptable candidate(s) based on the advertisement and according to Articles 50.61 and 50.62. When two (2) or more candidates are similarly qualified, they shall be given the same rank.

Following the ranking by the Library Selection Committee, if only one (1) candidate has been ranked first, the procedures of Article 50.53(d)(iv) shall apply. If more than one (1) candidate has been ranked first, the procedures of Article 50.53(d)(ii) shall apply.

(ii) In keeping with the principles of employment equity in Article 3.20, when two (2) or more candidates have been assigned the same ranking by the Library Selection Committee, the Chair shall send Human Resources the list of these candidates, and Human Resources shall assign them a numerical rank following the procedure in Article 3.56(e). Human Resources shall not disclose any information that identifies to which designated group a candidate belongs.

If Human Resources cannot establish a ranking, then the Library Selection Committee shall determine which candidate is best qualified for the position as described in the advertisement and according to Articles 50.61 and 50.62.

(iii) Wherever possible, the Library Selection Committee shall ensure that the offer is made to a suitable candidate who is a Canadian citizen or landed immigrant. If a suitable candidate cannot be found
in the above category, the search may be widened and an offer made to a non-Canadian.

(iv) The Library Selection Committee shall discuss with the recommended candidate all special conditions of appointment, including, but not limited to, start-up fund, seniority toward continuing appointment, and credit towards sabbatical leave. The candidate shall be invited to submit a budget justifying any request for start-up funds beyond the minimum amount stipulated in Article 25.40. Following this discussion, the Library Selection Committee shall make a recommendation to the Vice-President (Academic) that a specific candidate be appointed with a rationale for the candidate's suitability in relation to other candidates, including any information related to the application of Articles 50.53(b), and 50.53(d)(i) and (ii), and with reference to the criteria in Article 50.60. The recommendation shall include any special conditions of appointment such as, but not limited to, start-up funds, seniority towards continuing appointment, and credit towards sabbatical leave. The Committee shall recommend an appropriate rank and suggest a salary in accordance with Article 50.63. The remaining candidates on the short list who are deemed acceptable by the Library Selection Committee shall be listed in order of priority.

50.54 The recommendation of the Selection Committee shall be sent in a letter to the Vice-President (Academic) in confidence with a copy to the President of the Association. This letter shall include: where and when the position was advertised, a copy of the candidate search advertisement, a list of the Selection Committee members, dates of Selection Committee meetings, candidate interview date(s), and the Recommendation to Hire form (Appendix J). For appointments that are designated as replacement positions, the letter shall indicate who is being replaced. The Association shall scrutinize all recommendations of appointments to ensure that they have been made in conformity with the terms of the Collective Agreement.

The Vice-President (Academic) shall comment in a letter on the recommendation of the Selection Committee and shall forward the recommendation and any comments to the President of Acadia University.

50.55 The President or Vice-President (Academic) may request the Library Selection Committee to reconsider the proposed appointment, giving reasons for the request based on the criteria in Article 50.61. Following this reconsideration, in instances where it is requested, the recommendation(s) of the Committee and the President shall be forwarded to the Board for its action. This correspondence shall be copied to the President of the Association.

50.56 A Presidential letter of recommendation to the Board to reject the recommendation from the Library Selection Committee shall be only on the basis of the criteria set out in Article 50.61 and 50.62 or the procedures of Article 50.53. The letter shall be copied to the President of the Association.

50.57 Notification of Acceptance

The Employer shall forward a copy of the letter of acceptance of a job offer to the Association within five (5) working days of receipt.

50.60 Criteria for Appointment

The minimum academic qualification for appointment as an Archivist is a Master of Archival Studies or an equivalent relevant degree acceptable to the University;

(a) Initial placement on the grid will be determined based on the following formula:

Additional increments based on each full year (or equivalent) of experience will be credited according to the following formula:

\[

*relevant experience shall include full-time parenting

Individuals who are not already at the Librarian II/III/IV rank (or equivalent) shall be placed at Step 1.

Additional increments will be credited based on the number of years at the Librarian II/III/IV rank (or equivalent).

(b) In exceptional circumstances, should the Academic Unit deem it necessary to place the appointee at a grid step higher than the one derived using the formula, a written rationale shall be provided to the Vice-President (Academic) for such deviations, copied to the President of the Association. The Vice-President (Academic) shall consider this rationale in rendering the decision on grid placement. Where an appointment is made after 1 July but before or including 31 December, seniority towards a continuing appointment, promotion, and sabbatical leave shall be retroactive to 1 July preceding employment. The President shall transmit decisions of the UAC or recommendations of the URC or the UAC in favour of the candidate to the Board.

If the Board decides not to adopt the recommendation of the URC, it shall do so only on the basis of the criteria stated in the relevant Articles of this Agreement and shall give written reasons for its decision to the candidate, the URC, the LRC, the President and the Association.

In cases of continuing appointment, if the UAC or Board’s decision is that it be denied, the candidate’s appointment shall terminate at the end of the current probationary term.

Decisions on continuing appointments shall be deferred only with the written agreement of the candidate and on the basis of clearly stated conditions based on the criteria in the relevant articles in this Agreement. The meeting of these conditions shall result in the award of continuing appointment. Final decisions must be reached within one year, and the candidate’s probationary term shall be extended to make deferral possible.

The President shall communicate the Board’s decisions on joint continuing appointment and promotion or promotion according to the following schedule:

(a) Joint Continuing Appointment and Promotion/Promotion to Librarian III/Archivist III

Criteria for Continuing Appointment and Promotion
Consideration for Promotion

A Librarian or Archivist is eligible for consideration for promotion at any time, the essential element in any promotion being the demonstration of a record of achievement. Time of service in a particular rank may not be used to deny promotion to a higher rank.

A candidate’s record of achievement includes professional practice, scholarship and service at other institutions, either prior to employment at Acadia or in parallel, but must include evidence of satisfactory performance as a Librarian or Archivist, scholarly activity and service at Acadia University.

The factors to be considered in assessing performance of a Librarian or Archivist in relation to continuing appointment and promotion to ranks above Librarian II/Archivist II shall be:

(a) academic qualifications
(b) performance as a Librarian or Archivist
(c) scholarly activity
(d) service

All of these criteria must be present in an application for continuing appointment and/or promotion. Nevertheless, performance as a Librarian or Archivist shall receive greater relative emphasis than scholarly activity or service, unless stated otherwise in a candidate’s letter of appointment or as indicated by the candidate’s current responsibilities. It is the overall assessment that must guide the LRC’s, URC’s and UAC’s decisions. Remuneration received in connection with the criteria shall in no way diminish their value in consideration for continuing appointment and promotion.

(a) Academic Qualifications

The minimum criterion for Librarians is a Master of Library Science from an institution accredited by the American Library Association or an equivalent organization acceptable to the University. The minimum criterion for Archivists is a Master of Archival Studies or equivalent relevant degree acceptable to the University. Equivalent qualifications and/or experience may be substituted where a candidate has accumulated experience judged to be particularly relevant and valuable. The Letter of Appointment should state whether or not the Librarian or Archivist has the appropriate academic qualifications, or whether further qualifications must be obtained. Once a candidate has been recognized as having appropriate academic qualifications either by Letter of Appointment or by a ruling of the LRC and URC during consideration for continuing appointment or promotion, the criterion of academic qualification shall be deemed satisfied for future consideration under this article.

(b) Performance

Performance of library or archival responsibilities, scholarly activity and service shall be evaluated in relation to the duties expected of Librarians or Archivists in Articles 17.02 B or 17.02 C, 17.03 B, 17.04 and 17.05, and in relation to the annual Career Development Meetings and supplemented by other materials provided under Article 51.03.

The Parties recognize that the nature of library or archival responsibilities, scholarly activities and service contributions may vary from Librarian to Librarian, from Archivist to Archivist, and from time to time according to program assignments. As a consequence, the evidence used to demonstrate levels of performance will also vary. To assist Librarians and Archivists with the preparation of their dossier and professional résumé, lists of activities that might be used to demonstrate the required level of competence in the various criteria at each rank have been appended as Appendix I. The list of activities is neither inclusive nor exclusive.

The assessment of Librarians and Archivists shall take due account of performance in the specified spheres of library or archival service and non-library or non-archival service activities, giving such performance the same relative emphasis as indicated by their order in Article 51.83, unless stated otherwise in the candidate’s letter of appointment or as indicated by the candidate’s current responsibilities.

Qualifications for Continuing Appointment and Promotion
Continuing Appointment

The qualifications for continuing appointment shall be:
(a) possession of a Master of Library Science or Archival Studies or its equivalent as specified in Article 51.83(a);
(b) evidence of satisfactory performance as a Librarian or Archivist;
(c) evidence of involvement in scholarly activity;

**Article 55.00 Policies and Practices in the Library**

55.10 The Library shall have a Research Services Head who represents the Research Services Sector in other areas of the Library and the University and works to achieve, in co-operation with other areas of the Library, progress and development in all matters affecting the well-being of the Sector and the Library as well as other areas of the University.

55.20 In participating in establishing and implementing Library policy with the Sector, the Head shall consult fully with members of the Sector to determine what the majority sentiment is, and shall normally proceed in accordance with this majority sentiment.
If the Head wishes to implement a policy that does not have majority support, he/she shall inform the University Librarian of the situation. Should the University Librarian decide in favour of the majority sentiment, that view shall be implemented. Any decision by the University Librarian against the majority sentiment shall be taken only on proper operational or academic grounds, on budgetary grounds or on the ground that the majority sentiment is not consistent with Library and University policy at Acadia, and such grounds shall be given to the members of the Sector in writing.

55.30 The Research Services Head is responsible to the University Librarian for the efficient administration of the Research Services Sector in accordance with the present Agreement. If the Head has been advised by the University Librarian of a deficiency or an area of neglect, and no acceptable improvement results, then the provision of Article 55.50 (f) shall apply, with the appropriate substitution of University Librarian for Head.

55.40 The Research Services Head remains at all times a Librarian or Archivist for whom librarianship or archives management is a fundamental responsibility.

55.50 While generally responsible for communication, organization and administration within the Library’s Research Services Sector, Research Services Head shall exercise the following particular responsibilities:

(a) Formulate and recommend to the University Librarian library and archival policies, and the planning and development of library and archival teaching and research services, including services in support of Open Acadia.

(b) Supervise generally the provision of services provided by the Sector and the effectiveness of these services in meeting the needs of Library and Archives users.

(c) Make known and carry out Library, Archives, and University policies.

(d) Conduct a career development meeting with each Librarian and Archivist holding an ongoing appointment who does not have a continuing appointment at the rank of Librarian IV/Archivist IV once a year before 15 May. For Librarians IV/Archivists IV, a career development meeting shall be held at the request of either the Employee or the Head. Librarians and Archivists on sabbatical leave during the winter term or on a full sabbatical may elect to waive the annual career development meeting in which case it shall be replaced by the filing of the Librarian’s or Archivist’s sabbatical report per 24.23. Employees who are on another form of leave may elect to defer the meeting until they return from the leave.

(e) Advise Librarians and Archivists in the Sector of their professional responsibilities, as outlined in Article 17.02 B and bring to the attention of colleagues concerned any reported neglect of these responsibilities which may, if not addressed, invite disciplinary action. In such cases, the Head shall address the issue in a letter to the Librarian or Archivist concerned. The letter shall outline the nature of the problem(s) and the potential solutions. The letter shall not be interpreted by either party as a disciplinary measure.

(f) When a Librarian or Archivist has been advised of a deficiency under Article 55.50 (e) without showing an acceptable improvement, the Research Services Head shall address the issue in a letter to the Librarian or Archivist concerned. The letter shall outline the nature of the problem(s) and the solutions attempted. A copy of that letter and any response shall be submitted to the University Librarian. The Librarian or Archivist has the right of a response which, if written, shall be appended to all copies of the letter.

(g) Prepare, after consultation with the Librarians and the University Librarian, an allocation of Library responsibilities. This consultation shall be made as early as possible. It shall normally be completed by the first day of July of the year concerned and shall be communicated to the University Librarian. Librarians who are dissatisfied with their allocation of duties shall have the right to put their dissatisfaction to the University Librarian for a decision. The University Librarian shall normally make a decision within fifteen (15) working days of receiving the request. In attempting to resolve the dissatisfaction, the University Librarian does not have the right to change the duties of a satisfied Librarian without consultation with the affected Librarian. An appeal can be made to the Vice-President (Academic) whose decision shall be final.

(h) After consultation with the Librarians and Archivists, and with the agreement of the University Librarian, take necessary action to cancel or alter services as need arises.
55.51 On request of the Research Services Head, her/his Librarian or Archivist responsibilities may be reduced.

If the Head or University Librarian wishes clarification of any item that cannot be adduced immediately she/he may reconvene the meeting within three (3) months, when the Librarian or Archivist or the Head, shall introduce such clarification to the discussion.

(c) The objectives of the meeting are:

If the Head assesses performance to be unsatisfactory in any of the four areas, the Head shall provide reasons for the assessment and outline the agreed upon plan for remediation in accordance with Article 55.50(e). The letter shall be copied to the University Librarian. If the Librarian or Archivist disagrees with the Head’s evaluation of any area, the Librarian or Archivist may append written comments to the letter by 30 June. By 15 July, the Head shall forward the curriculum vitae, the Career Development Report, and the letter with any appended comments to the University Librarian who shall ensure compliance with the requirements of this Article.

(e) In the case of the Research Services Head, the career development meeting shall take place between the Head and the University Librarian by 30 June. All of the following factors shall be considered in assessing applicants for Per Course positions, weighted in the order set out below.

(a) number of times the applicant has taught the advertised course in the last six (6) academic years at Acadia University,

(b) verifiable academic qualifications in the advertised discipline, which may include earned degrees, diplomas, and the like, or an acceptable combination of education and experience, as in Article 12.00;

(c) performance and potential as a teacher and lecturer. Both qualitative and quantitative aspects shall be considered. These shall include such factors as teaching experience, evaluation of past teaching performance, and ability to fulfill the requirements for the advertised position. For online courses, experience in developing or delivering online courses shall be considered.

Advertising

All positions authorized as Per Course for the teaching of credit courses shall be advertised by the following procedures:

(i) Upon authorization of a Per Course position, the Per Course Selection Committee shall determine by majority decision the requirements for the position in accordance with Article 58.09 (b) and (c), and the supporting documents required of candidates who wish to be considered for the position. The Chair shall communicate these requirements to Human Resources who shall generate advertisements that include the statement in Article 10.52 (b). All applicants shall be invited to submit a voluntary online self-identification form (Article 3.61 (a)). These forms shall be processed by Human Resources. Information provided on these forms may only be used for employment equity purposes. Only candidates who have submitted a self-identification form can be considered as members of designated groups as described in Article 3.20.

(ii) All Per Course position advertisements shall include the following statement: “The University invites applications from all qualified individuals. First consideration will be given to internal candidates as defined in Article 58.11 (b) (i) of the Collective Agreement.”

(b) Human Resources shall post the advertisement on the HR website. To the extent feasible, Per Course positions shall be advertised for ten (10) working days. Human Resources shall forward copies of all advertisements to the President of the Association.

(c) Applications in response to postings and advertisements for Per Course positions shall be submitted in writing to Human Resources which shall forward them according to the procedures in Article 58.11 (a).

(d) In the event of an emergency or if a vacancy occurs within four (4) weeks of the start date of the position or if a posting for a Per Course credit course results in a failed search, the Employer shall address the assignment giving consideration to Articles 11.12 (a), 11.12 (b) and 11.12 (m).
Procedures for Appointment

(a) Human Resources shall forward the list of applicants, their supporting documents, and the Precedence List (including the number of times each applicant has taught the advertised course in the last six (6) years) to the Chair of the Per Course Selection Committee.

(b) First Consideration of Internal Applicants

(i) Internal applicants are all individuals on the Precedence List as defined in Articles 11.12 (a), 11.12 (b) and 11.12 (m) and all Full-time Employees.

(ii) The Per Course Selection Committee shall meet to assess the internal applicants and draw up a ranked list of acceptable internal applicants, with rationale, based on the criteria in Article 58.09. When two (2) or more candidates are similarly qualified, they shall be given the same rank.

(iii) In keeping with the principles of employment equity, when two (2) or more candidates have been given the same rank, the Chair shall send Human Resources a list of these candidates, and Human Resources shall assign a numerical rank to the candidates following the procedure in Article 3.56 (e). Human Resources shall not disclose any information that identifies to which designated group a candidate belongs. If Human Resources cannot establish a ranking, then the Per Course Selection Committee shall determine a ranking of the similarly qualified candidates based on the advertisement and according to Article 58.09.

(iv) The Chair shall offer the position by e-mail to the highest-ranked internal applicant. The e-mail shall include the course number and description, the assigned time slot and the duration, and the deadline by which the applicant must accept the offer.

If the internal applicant wishes to accept the offer, that person must do so in writing to the Chair within five (5) working days after the offer was made. If the internal applicant declines the offer, or does not respond within the allotted time, the Chair shall repeat the process with the next-higher-ranked internal applicant until an offer is accepted or until no acceptable internal applicant remains.

Once an offer has been accepted, the Chair shall declare the position filled. The Chair shall send the Recommendation to Hire Form (Appendix J) to the appropriate Dean and Academic Unit(s) with a copy to the President of the Association. For appointments that are designated as replacement positions, the Recommendation to Hire Form (Appendix J) shall indicate who is being replaced. An Offer of Employment shall be sent as per 58.11(d).

(c) Consideration of External Applicants

(i) Should there be no internal applicants for the position or if no internal applicant accepts an offer, the Per Course Selection Committee shall meet to assess the external applicants based on the advertisement and using the criteria of Article 58.09. The Per Course Selection Committee shall draw up a short list of no more than three (3) candidates.

Candidates who are demonstrably better qualified for the position as described in the advertisement and according to Article 58.09 shall be shortlisted. In keeping with the principles of employment equity, when two (2) or more candidates are similarly qualified, the Chair shall send Human Resources a list of these candidates, and Human Resources shall assign a numerical rank to the candidates following the procedure in Article 3.56 (e). Human Resources shall not disclose any information that identifies to which designated group a candidate belongs. The Per Course Selection Committee shall use the ranked list to fill any remaining spaces on the shortlist. If Human Resources cannot establish a ranking, then the Selection Committee shall shortlist the candidates(s) who is best qualified for the position as described in the advertisement and according to Article 58.09.

The short list shall be made available to members of the Academic Unit(s). Members of the Academic Unit(s) who wish to comment on the shortlist drawn up by the Per Course Selection Committee shall have two (2) working days from the time of distribution of the list to make their views known to the Per Course Selection Committee. The Per Course Selection Committee shall
then finalize the short list which shall be redistributed to the members of the Academic Unit(s) and copies thereof provided to the Dean(s), the Vice-President (Academic), and the President of the Association.

(ii) The Chair shall arrange for interviews of all shortlisted candidates. Interviews shall be conducted by the Per Course Selection Committee in the same manner (in person, video, or voice-only). Following the interview process, the Per Course Selection Committee shall rank the acceptable candidates(s) based on the advertisement and according to Article 58.09. When two (2) or more candidates are similarly qualified, they shall be given the same rank. The Per Course Selection Committee shall recommend the ranked list to the Academic Unit(s), with a rationale based on the advertisement and according to the criteria in Article 58.09.

The Academic Unit(s) shall conduct a majority vote by secret ballot on the recommendation of the Per Course Selection Committee. The Academic Unit(s) shall only reject the recommendation if members of the Academic Unit(s) determine that the recommendation is fundamentally flawed based on a failure to follow the processes in Article 58.11, or to consider the terms of the advertisement or to apply Article 58.09.

If the recommended ranking of the Per Course Selection Committee is rejected, then eligible members of the Academic Unit(s) as defined in Article 58.01 shall constitute themselves as the Per Course Selection Committee and re-rank the acceptable candidates with rationale based on the advertisement and according to Article 58.09. The quorum requirements for this Per Course Selection Committee shall be fifty per cent (50%) plus one (1) of the faculty members on the committee.

Following majority approval of the ranking by the Academic Unit(s), if only one (1) candidate has been ranked first, the procedures of Article 58.11 (c) (v) shall apply. If more than one (1) candidate has been ranked first, then the procedures of Article 58.11 (c) (iii) shall apply.

(iii) In keeping with the principle of employment equity in Article 3.20, whenever two (2) or more candidates have been assigned the same ranking by the Per Course Selection Committee in accordance with Article 58.11 (c) (ii), the Chair shall send Human Resources the list of these candidates, and Human Resources shall assign them a numerical rank following the procedure in Article 3.56 (e). Human Resources shall not disclose any information that identifies to which designated group a candidate belongs.

(iv) If Human Resources cannot establish a ranking, then the Per Course Selection Committee shall determine which candidate is best qualified for the position as described in the advertisement and according to Article 58.09.

(v) The Per Course Selection Committee shall make a recommendation to the Dean that the highest ranked candidate be appointed, with a rationale for the candidate’s suitability in relation to the other shortlisted applicants, and with reference to the criteria in Article 58.09. The decision of the Per Course Selection Committee shall be sent, via the Recommendation to Hire Form (Appendix J), to the appropriate Dean and Academic Unit(s) with a copy to the President of the Association. For appointments that are designated as replacement positions, the Recommendation to Hire Form (Appendix J) shall indicate who is being replaced.

(vi) If the Dean deems the Per Course Selection Committee to have satisfactorily carried out its obligations under Article 58.09, 58.10, and 58.11, the Dean shall endorse the selection. The Dean shall send a letter of offer to the successful candidate with a copy to the Head(s), the Chair of the Per Course Selection Committee, Human Resources, the Vice-President (Academic), and the Association. If the Dean deems that the Per CourseSelection Committee did not satisfactorily carry out its obligations under Article 58.09, 58.10, or 58.11, s/he shall reject the recommendation.

(d) Offers of Employment

Except in circumstances described in 58.10 (d), the Employer shall e-mail and mail Offers of Employment by the following dates: 15 July for the Fall term, 15 November for the Winter term, 15 March for the
Spring Intersession, and 15 April for the Summer Intersession. The Offer of Employment shall include an updated link (url) to the Collective Agreement. The Employer shall, on or before 15 May of each year, advise the Association of all Per Course appointments for both Intersessions.

Candidates shall inform the Employer, in writing, within fifteen (15) working days after the date of the e-mailed Offer of Employment whether or not they accept the position. The Employer shall forward a copy of the letter of acceptance to the Association within ten (10) working days of receipt of the letter.

(c) An employment contract to instruct on-campus, Fall or Winter, three- (3) or six- (6) credit-hour courses shall if possible begin two (2) weeks prior to the start of the first scheduled class.

(f) Where a letter/contract of appointment has been accepted/signed by the applicant and the course is subsequently cancelled by the Employer, the applicant shall be paid a cancellation stipend of two hundred dollars ($200) if the cancellation occurs within two (2) weeks prior to the start of class during the academic year.

(g) All offers of employment are conditional.

(h) The Recommendation to Hire Form (Appendix J) shall be developed jointly by the Office of the Vice-President (Academic) and the Association. Any changes to the content of the Recommendation to Hire Form (Appendix J) shall be approved by both Parties.

(a) academic qualifications;

(b) performance as a Curator;

(c) scholarly activity;

(d) service.

All of these criteria must be present in an application for continuing appointment and/or promotion. Nevertheless, performance as a Curator shall receive greater relative emphasis than scholarly activity or service, unless stated otherwise in a candidate’s letter of appointment or as indicated by the candidate’s current responsibilities. It is the overall assessment that must guide the LRC’s, URC’s, and UAC’s decisions. Remuneration received in connection with the criteria shall in no way diminish their value in consideration for continuing appointment and promotion.

(a) Academic Qualifications

The minimum criterion is a Master of Museum Studies or an equivalent relevant degree. Equivalent qualifications and/or experience may be substituted where a candidate has accumulated experience judged to be particularly relevant and valuable. The Letter of Appointment should state whether or not the Curator has the appropriate academic qualifications, or whether further qualifications must be obtained. (b) Performance

Performance of Gallery responsibilities, scholarly activity, and service shall be evaluated in relation to the duties expected of Curators in Article 17.02 D, 17.03 D, 17.04, and 17.05, and in relation to the annual Career Development Meetings and supplemented by other materials provided under Article 51.03.

59.85 The assessment of the Curator shall take due account of performance in the specified spheres of Gallery service and non-Gallery service activities, giving such performance the same relative emphasis as indicated by their order
in Article 59.83, unless stated otherwise in the candidate’s letter of appointment or as indicated by the candidate’s current responsibilities.

59.90 Qualifications for Continuing Appointment and Promotion
